God in Your Workplace The Power of Words Turbulent Times Steps to Happiness Matters of the Heart **Understanding the Mind of Man** SYLVESTER ONYEMALECHI, 2012-10-26 The life of a man is built around his thoughts Your thoughts determine your experiences in life You cant live above your thoughts Your thoughts determine your self image self worth and status in life Inferiority complexes superiority complexes pride arrogance and timidity are all products of self analysis What you think of yourself determines how you carry yourself Success in every area of life is determined by the use of the mind The purpose of this guide is not to teach how to be led by the mind Instead it reveals much about the nature of the mind the domineering and controlling power of the thoughts that go through our minds the ways in which the thoughts we think affect the way we speak feel act and behave and ways to renew and bring it under control In this book you will learn the power of the mind of man the nature of the mind the power of positive thinking the power of god consciousness the winning attitude the role of the mind in managing problems how to overcome lust and immoral behavior how to maintain peace and how to deal with evil thoughts **Healing Hurts** Linda Kennedy, 2020-12-30 Sure to give hope and courage to everyone no matter where one may be in life s unpredictable journey Laura Magnin McDonald MA LPC Co founder of Christian Insight for Life Pain suffering grief and tears Have you had days when it feels like the pain is never going away Days when you wonder whether you ll ever feel normal again Times when tears stream down your face nonstop Drawing from her own experiences and seasons of grief Linda Kennedy turns to Scripture to find meaning and hope amidst the pain Like Job you may find people telling you why things are happening to you as they are but how can they really understand How did Job respond and what can we learn to help us through the confusion and doubt of our own pain Joseph was betrayed time and again leading to his slavery and unjust imprisonment How did his dependence on God carry him through the darkest nights Seasoned with modern day examples from inspiring people like Joni Erickson Tada and Amy Carmichael Healing Hurts will carry you gently show you that you re not alone and guide you to the One who can make sense of it all Succinct chapters packed with Scripture each concluded with thought provoking reflection questions make Healing Hurts an excellent resource for personal study or for small groups support groups and one on one discipleship mentoring Excerpt from the Introduction I definitely have had days when it feels like the pain will never go away The minutes and the hours drag by at a snail s pace I start to wonder if I will ever feel okay again And then I look around at other people I know who are smiling and acting like they don t have a care in the world And I start judging them even though I really may not know them well at all Why does it always seem like nothing bad ever happens to them As if I know what s really going on in their lives Sometimes life just seems well cruel You feel like every time you turn around more bad news hits You make it through a severe illness and then you lose your job Your mother comes to know the Lord and then your sister s child ends up getting killed You finally reach retirement where you feel comfortable in your investments and the bottom falls out of the stock market You and your husband finally are able to have children and then you have a child that s disabled Why me But let me tell you my friends there is indeed hope

Because of the trials my husband and I have gone through I often found myself pouring through the Scriptures trying to find morsels that might explain why all these things happened to me and my family And you know what I actually found a lot but there were moments I didn't want to listen to them So as you read this book first pray that God would open your heart and mind then hang on tight and prepare for healing It may be hard to live through some of the things you have been trying to force out of your memory but our God is greater than the trials and He does indeed have the answers you've been looking for I pray as you work your way through this short book that you will be blessed and I pray that you will allow God's healing balm to sink deep into your soul The healing process can sometimes really hurt but it will all be worth it The Connection Between Your Faith and Thinking --hard cover Roy Hayes,2022-09-07 Do you ever feel like something isn't quite right but you can't put your finger on it Do you suffer from an unnamed malaise or anxiety but you can't pinpoint its origin If you can't identify your problem then that problem has power and ascendancy over you however if you know what the problem is and gain the understanding of how to fix it then you have power and ascendancy over it In this book you will find answers to important questions about how to get more out of your faith and receive the promises of God **Million Dollar Habits** Brian Tracy,2017-09-12 95% of what people think feel and do is determined by habits Habits are ingrained but not unchangeable new positive habits can be learned to replace worn out ineffective practices with optimal behaviors that can cause dramatic immediate benefits to the bottom line In Million Dollar Habits Tracy teaches readers how to develop the habits of successful men and women so they too can think more effectively make better decisions and ultimately double or triple their income Readers will learn how to organize their finances increase health and vitality sustain loving relationships build financial independence and take a leadership role to turn visions into reality The Secret Things of God Dr. Henry Cloud,2014-05-22 The phenomenal bestseller The Secret tapped into a spiritual hunger present in our society revealing the Law of Attraction as a way to improve your life and find harmony with universal energies Dr Cloud builds on these ideas by offering a positive Christian interpretation of the thinking found in that book By comparing ideas and concepts in The Secret with biblical scripture he points readers to the Creator of the universe as the source of all power offering twenty spiritual truths that hold within them the secrets of happiness relationships and purpose Yet even among those who claim a Christian faith these truths often lie dormant and untapped within the soul The Secret Things of God will help readers unlock the secret treasures God has for them and gives guidance on how to activate these truths in our lives *Peace In The Midst Of Hell* Jawara D. King,2012-05 Hardships and pain are inevitable and will be encountered in everyone's life At some point in our life we will experience hardships pain and suffering for no one can escape them Prepared people aren't as badly affected by the inevitability of hardships as those who aren't prepared How you deal with hardships defines your future Hardships and suffering define your character and make you better Pain and hardship give one an opportunity to grow as a person They are impermanent and won't last Nothing in our universe escapes impermanence Keep the truth it won't last in your mind
