The Inside Story Paul T. Brockelman, 1992-01-01 This book explores what is meant by claims of religious understanding and truth It argues that at the end of the twentieth century we are undergoing a revolution in our thinking about ourselves and our place in nature and that the worldview pervading modern culture is dissolving because it has marginalized and hindered authentic religious understanding and practice It has spiritually degraded and destroyed the natural environment upon which it depends The book describes how this situation developed and proposes an alternative postmodern narrative concept of religious understanding that may help us to transcend these spiritual and ecological problems This model of religious truth explores a new cosmological story that has emerged over the past twenty five years It is a story that will enrich and deepen our spiritual experience while helping us cope with possibly the most disastrous and dangerous consequence of modernity the present worldwide ecological crisis Coronavirus - The Inside Story Tom Garz, 2020-06-26 This Coronavirus Pandemic has affected all of us in some way or another Some of us have been diagnosed with Covid 19 and have survived Some still have lingering symptoms Some have not survived All of us however have been impacted psychologically and emotionally even if we never were affected physically This book gives practical information and resources on how to best survive and maybe even thrive in this pandemic physically psychologically emotionally and maybe even spiritually This book is for the average person as well as for the healthcare professional Everyone will probably get something helpful from this book
