Gender Is a Choice Grace Alice Mukasa,2018-10-31 Gender Is a Choice is a remarkable book that thoughtfully demystifies gender discrimination It shows the underlying causes of discrimination which lie deep in our cultures Based on the human rights perspective of equality and dignity Ms Mukasa reaffirms that we are all born equal without gender bias or prejudice and we all share a propensity to learn grow and maximize our innate potential to lead meaningful happy lives However societies have views based on cultural norms attitudes and beliefs that lead to unequal gender relations of power As a result many women and girls suffer This highly educational book highlights the key gender concepts and gives them meaning through a practical family portrait at the end Ms Mukasa decisively affirms that despite powerful socialization processes gender injustice can be overcome The key issue to transform is the traditional socialization process The main tool is to create awareness of the embedded negative aspects concerning women s and men s relationships It calls upon men and women to appreciate that the current gender relations of power are unnatural and unacceptable They are man made and can be dismantled using our agency to make the right choices Women s disempowerment can be disrupted and gender justice can be promoted This book is relevant to all people since gender discrimination is universal and has universally negative consequences Gender discrimination must therefore be disrupted everywhere every time by everyone However Ms Mukasa makes her own choice to focus on the African gender context and the audience whose culture she understands best

water instead of moving forward It s all about the power of small changes the dozens even hundreds of choices we face each day that if we see them as what they really are will power us all the way to the success we envision Writer and Editor Lynn Stratton Regrets are simply proof that your dreams are achievable Your future is nothing more than the net value of the choices you make today If you change nothing then nothing will change and you ll regret every year what you could have accomplished but didn t Do you really want to wait another year It is the daily choices that change your life No one can choose to be successful there s no one choice that accomplishes that We can though make daily choices that later result in success Choose Your Way There I spent most of my life living in the future and regretting the past I sought the miracle pill the rags to riches and that elusive and mysterious inner power the motivational gurus like to sell I knew everything then realized I knew nothing I was invincible until I found out I was really just fragile I spent my life chasing the shadows of a future I did little to achieve It took me over 40 years to realize that the future is only a reflection of today and that the past is irrelevant for we cannot live in anything but the now I learned I could use the past to choose today what my future will be
