Reconciliation and Building a Sustainable Peace Cathy Bollaert, 2019-02-02 This book explores how competing worldviews impact on intergroup relations and building a sustainable peace in culturally diverse societies It raises the question of what happens in a culturally diverse society when competing values and ways of interpreting reality collide and what this means for peace building and the goal of reconciliation Moreover it provides a valuable and needed contribution to how peace building interventions can become more sustainable if tied into local values and embedded in a society's system of meaning making The book engages with questions relating to the extent transitional policies speak to universal values and individualist societies and the implications this might have for how they are implemented in collective societies with different values and forms of social organisation It raises the question of cultural equality and transformation and whether or not this is something that needs to be addressed within peace building theory It argues that inculcating worldview into peace building theory and practice is a vital part of restoring dignity and promoting healing among victims and formerly oppressed groups This book therefore makes an important contribution to what is at best a partially researched topic by providing a deeper understanding of how identity and culture intersect with peace building when seeking to build a sustainable peace

The Palgrave Handbook of African Politics, Governance and Development Samuel Ojo Oloruntoba, Toyin Falola, 2017-10-10 This handbook constitutes a single collection of well researched articles and essays on African politics governance and development from the pre colonial through colonial to the post colonial eras Over the course of these interconnected periods African politics have evolved with varied experiences across different parts of the continent As politics is embedded both in the economy and the society Africa has witnessed some changes in politics economics demography and its relations with the world in ways that requires in depth analysis This work provides an opportunity for old and new scholars to engage in the universe of the debate around African politics governance and development and will serve as a ready reference material for students researchers policy makers and investors that are concerned with these issues
