Luka *and the* Fire of Life

"A beautiful book . . .
It's like a bridge built between
generations, fabulous and
strange and from the heart."

—NEIL GAIMAN

a novel

An illustration depicting a fantastical scene. In the foreground, a large, blue-skinned, seated figure with a red garment is looking towards the right. To their right, a smaller figure in a green and red outfit stands, holding a glowing torch aloft. A small child and a dog are also present. They are standing on a green, starry path that winds through a landscape of jagged, purple mountains under a bright, orange-yellow sky. The overall style is whimsical and magical.

Luka And The Fire Of Life:

Luka and the Fire of Life Salman Rushdie, 2010-11-16 On a beautiful starry night in the city of Kahani in the land of Alifbay a terrible thing happened twelve year old Luka's storyteller father Rashid fell suddenly and inexplicably into a sleep so deep that nothing and no one could rouse him To save him from slipping away entirely Luka must embark on a journey through the Magic World encountering a slew of phantasmagorical obstacles along the way to steal the Fire of Life a seemingly impossible and exceedingly dangerous task Weaving together bits of mythology fairy tales children's puns metaphysics and echoes from well known tales as different as *The Matrix* and *The Wizard of Oz* *Luka and the Fire of Life* becomes a story about things as intimate as a boy's love for his family and as sprawling as the meaning of life itself With *Haroun and the Sea of Stories* Salman Rushdie proved that he is one of the best contemporary writers of fables and it proved to be one of his most popular books with readers of all ages While *Haroun* was written as a gift for his first son Luka and the *Fire of Life* the story of Haroun's younger brother is a gift for his second son on his twelfth birthday Lyrical rich with word play and with the narrative tension of the classic quest stories this is Salman Rushdie at his very best **The Science**

Fiction Dimensions of Salman Rushdie Yael Maurer, 2014-01-23 This book focuses on the science fictional dimensions of Rushdie's later novels *Fury* *The Ground Beneath Her Feet* *Shalimar the Clown* and *Luka and the Fire of Life* and Rushdie's first unpublished novel *The Antagonist* to show how the author's oeuvre moves towards a more consistent engagement with science fiction as a generic form and an ideological investment The author demonstrates how Rushdie recreates personal and national histories in a science fictional setting and mode and contends that the failure of his first novel *Grimus* may have led Rushdie away from SF for some time although he returns to it with a much firmer conviction and a much stronger voice in his later novels showing his commitment to this imaginative form which he describes in *Fury* as providing the best popular vehicle ever devised for the novel of ideas and metaphysics The science fictional mode is the most appropriate vehicle for expressing these thematic and ideological concerns and the organizing feature of Rushdie's oeuvre The author rereads the later novels in light of recent critical engagement with SF as a vehicle for reimagining national histories and as a potentially subversive tool for social and political engagement in a fictional realm **Salman Rushdie and Translation** Jenni

Ramone, 2013-09-12 Salman Rushdie's writing is engaged with translation in many ways translator figures tell and retell stories in his novels while acts of translation are catalysts for climactic events Covering his major novels as well as his often neglected short stories and writing for children *Salman Rushdie and Translation* explores the role of translation in Rushdie's work In this book Jenni Ramone draws on contemporary translation theory to analyse the part translation plays in Rushdie's appropriation of historical and contemporary Indian narratives of independence and migration **Beyond the Book**

Bridget Carrington, 2014-01-06 November 2012 saw the joint annual conference of the British branch of the International Board on Books for Young People IBBY UK and the MA course at the National Centre for Research in Children's Literature

NCRCL at Roehampton University The theme of the conference was the investigation of aspects of literature for children that were Beyond the Book From woodcuts to e books children s literature has always lent itself to reinterpretation and expansion In its early days this was achieved through different forms of retelling through illustration and interactive illustration pop ups and flaps and then through music film television and stage adaptation The contributors to the 2012 conference explored the variety of means by which we transform literature intended for children and celebrated the vibrant world of creativity that has sought and continues to seek different ways in which to engage young readers Bridget Carrington and Jennifer Harding have previously collaborated as the editors of earlier IBBY UK NCRCL MA conference proceedings *Going Graphic Comics and Graphic Novels for Young People Conflicts and Controversies Challenging Children s Literature and It Doesn t Have to Rhyme Children and Poetry* Pied Piper Publishing 2010 2011 2012 Fairy Tale Andrew Teverson, 2013-06-19 This volume offers a comprehensive critical and theoretical introduction to the genre of the fairy tale It explores the ways in which folklorists have defined the genre assesses the various methodologies used in the analysis and interpretation of fairy tale provides a detailed account of the historical development of the fairy tale as a literary form engages with the major ideological controversies that have shaped critical and creative approaches to fairy tales in the twentieth and twenty first centuries demonstrates that the fairy tale is a highly metamorphic genre that has flourished in diverse media including oral tradition literature film and the visual arts *Global Perspectives on Death in Children's Literature* Lesley D. Clement, Leyli Jamali, 2015-07-30 This volume visits death in children s literature from around the world making a substantial contribution to the dialogue between the expanding fields of Childhood Studies Children s Literature and Death Studies Considering both textual and pictorial representations of death contributors focus on the topic of death in children s literature as a physical reality a philosophical concept a psychologically challenging adjustment and or a social construct Essays covering literature from the US Mexico El Salvador Guatemala Canada the UK Sweden Germany Poland Bulgaria Brazil Czechoslovakia the Soviet Union India and Iran display a diverse range of theoretical and cultural perspectives Carefully organized sections interrogate how classic texts have been adapted for the twenty first century how death has been politicized ritualized or metaphorized and visual strategies for representing death and how death has been represented within the context of play Asking how different cultures present the concept of death to children this volume is the first to bring together a global range of perspective on death in children s literature and will be a valuable contribution to an array of disciplines

Time, Literature, and Cartography After the Spatial Turn Adam Barrows,2016-06-01 Time Literature and Cartography after the Spatial Turn argues that the spatial turn in literary studies has the unexplored potential to reinvigorate the ways in which we understand time in literature Drawing on new readings of time in a range of literary narratives including Vladimir Nabokov's *Invitation of a Beheading* and James Joyce's *Finnegans Wake* Adam Barrows explores literature's ability to cartographically represent the dense and tangled rhythmic processes that constitute lived spaces Applying the insights of ecological resilience studies as well as Henri Lefebvre's late work on rhythm to literary representations of time this book offers a sustained examination of literature's chronometric imaginary its capacity to map the temporal relationships between the human and the non human the local and the global

The Routledge Encyclopedia of Indian Writing in English Manju Jaidka, Tej N. Dhar,2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English Showcasing the burgeoning field of Indian English writing this encyclopedia documents the poets novelists essayists and dramatists of Indian origin since the pre independence era and their dedicated works Written by internationally recognized scholars this comprehensive reference book explores the history and development of Indian writers their major contributions and the critical reception accorded to them The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students teachers and academics navigating the vast area of contemporary world literature

Salman Rushdie Damian Grant,2012 This study seeks to provide a balanced view by approaching Rushdie's fiction in terms of its dual responsibility to the found world of historical circumstance and the made world of the imagination

South Asian Digital Humanities Roopika Risam,Rahul K. Gairola,2020-09-10 The digital cultural record has a powerful role to play in both new and future strategies of creating new homes within the digital milieu For example the development and establishment of new digital archives around South Asian studies not only allows us to create new archives of the past but also to remember and

commemorate the past differently New maps transform how we understand space and place And new digital comfort zones facilitate connections for those whose family and loved ones are only accessible online Such interventions are essential to the recuperation of the integrity and soul of a people who have lived through and continue to shoulder the fraught and painful legacies of the British Empire and the communal bloodshed wrought by its demise Building on the important history of digital humanities scholarship in South Asia and its diasporas that precedes this work this book contends that South Asian studies is further positioned to offer a new genealogy of digital humanities demonstrated through this assemblage of essays that reveal how the digital continues to shape notions of home belonging nation identity memory and diaspora through a variety of humanistic methodologies and digital techniques South Asian Digital Humanities thus demonstrates that postcolonial digital humanities has great possibility for creating some of the most important social justice scholarship in South Asian studies of the past century It offers these essays as innovative interventions that complicate the digital cultural record while lodging a homelanding for South Asians within it positioning digital humanities as a method through which South Asian studies can strategically participate in the ongoing struggle for representation within digital knowledge production This book was originally published as a special issue of South Asian Review

Children's Literature and Culture Rebecca

Rowe, 2025-08-08 Children's Literature and Culture An Introduction guides readers in the study of culture in and around and through children's literature Children's literature has long been used as a mechanism by which a culture passes its values from one generation to the next Because of this culturally didactic purpose children's literature can be viewed as one of the most fruitful areas of study of any given culture At the same time studying the cultures from which works of children's literature emerge and in which they circulate can also help better understand not only the ideas of childhood that underpin individual texts for children but the role they play in the construction and transmission of different cultural ideologies This book teaches readers this double work of using culture to understand children's literature and vice versa This volume traces the scholarly methodologies and histories that have attended the study of each of the 20 chapters given subject from the representation of race in and around children's literature to questions of censorship to how libraries can and do shape children's literature In the process it prepares readers to confidently enter and forward scholarly debates and to teach such debates to their own students

The Practice of Narrative: Storytelling in a Global Context Michael

Heitkemper-Yates, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Story can have a power and presence that stretches beyond the vast unspeakable boundaries of time and space and yet story can also have a delicate impermanence that lasts no longer than a moment before it flashes back into the void Some stories can bring people together other stories can tear entire civilisations apart Stories express and enliven experience stories project and describe the desires and anxieties of existence Stories can be narrated through written word and physical gesture through graphic illustration and musical orchestration through the spatial dynamics of architecture and the abstract poetics of conjecture For

these and myriad other reasons storytelling and narrative are central to humanity and the study of these practices is central to an understanding of what it means to be human In this volume the many narrative dimensions media and critical approaches to storytelling are explored with the common intention of comprehending and appreciating the global role that story plays in the articulation of human experience [Salman Rushdie](#) Robert Eaglestone, Martin McQuillan, 2013-09-12

New critical perspectives on Salman Rushdie's fiction and non fiction by leading scholars **Children's Literature: A Very Short Introduction** Kimberley Reynolds, 2011-10-06 In this lively discussion Kim Reynolds looks at what children's literature is why it is interesting how it contributes to culture and how it is studied as literature Providing examples from across history and various types of children's literature she introduces the key debates developments and people involved **Mapping out the Rushdie Republic** Prasanta Bhattacharyya, Tapan Kumar Ghosh, 2016-12-14 Mapping out the Rushdie Republic differs from existing studies on the work of Salman Rushdie by dint of its seriousness of intent and profundity of content Every major work of the writer is paid due attention as separate articles are devoted to every aspect of his literary persona As such the contributions raise pertinent issues and questions that invite the perceptive reader to enter into a meaningful dialogue with the views of a range of formidable academics of national and international repute A long interview with Timothy Brennan a notable Rushdie critic offers further insights making this a book that designedly stops short of being merely encomiastic about Rushdie's achievement as an author The significant act of mapping out the Rushdie republic makes this a must read for those who find the Rushdie phenomenon an interesting one as part of ongoing debates and discussions [The Postsecular Imagination](#) Manav Ratti, 2013-01-04 The Postsecular Imagination presents a rich interdisciplinary study of postsecularism as an affirmational political possibility emerging through the potentials and limits of both secular and religious thought While secularism and religion can foster inspiration and creativity they also can be linked with violence civil war partition majoritarianism and communalism especially within the framework of the nation state Through close readings of novels that engage with animism Buddhism Christianity Hinduism Islam and Sikhism Manav Ratti examines how questions of ethics and the need for faith awe wonder and enchantment can find expression and significance in the wake of such crises While focusing on Michael Ondaatje and Salman Rushdie Ratti addresses the work of several other writers as well including Shauna Singh Baldwin Mahasweta Devi Amitav Ghosh and Allan Sealy Ratti shows the extent of courage and risk involved in the radical imagination of these postsecular works examining how writers experiment with and gesture toward the compelling paradoxes of a non secular secularism and a non religious religion Drawing on South Asian Anglophone literatures and postcolonial theory and situating itself within the most provocative contemporary debates in secularism and religion The Postsecular Imagination will be important for readers interested in the relations among culture literature theory and politics [Digital Citizenship in Twenty-First-Century Young Adult Literature](#) Megan L. Musgrave, 2016-10-11 This book is a study of the evolving relationships between literature cyberspace and young adults in the twenty first century Megan L

Musgrave explores the ways that young adult fiction is becoming a platform for a public conversation about the great benefits and terrible risks of our increasing dependence upon technology in public and private life Drawing from theories of digital citizenship and posthuman theory Digital Citizenship in Twenty First Century Young Adult Literature considers how the imaginary forms of activism depicted in literature can prompt young people to shape their identities and choices as citizens in a digital culture
