*The Maruti Story* R.C. Bhargava,2010-02-02 An extraordinary and rare insight into how a few determined entrepreneurs created an icon C K PrahaladThe targets were stupendous and considered unachievable by almost everyone Slightly over two years to find a suitable partner finalize all legal documentation get governmental approval to these agreements as well as to the investment proposals build a factory develop a supplier base to meet localization regulations create a sales and service network and develop and launch a peoples car that would sell 100 000 a year in a sector where Indian expertise was limited And to do this as a public sector company having to follow all governmental systems and procedures and having to please both its masters in the government and Suzuki Motor Corporation However the Maruti project succeeded and in ways that were unimaginable in 1983 The car revolutionized the industry and put a country on wheels Suddenly ordinary middle class men and women could aspire to own a reliable economical and modern car and the steep sales targets were easily met Twenty six years later the company now free of government controls and facing competition from the worlds major manufacturers who have entered the Indian market still leads the way Not only that cars made by Maruti can be seen in all continents By any yardstick it is an incredible story involving grit management skill and entrepreneurship of a high order R C Bhargava who was at the helm of thecompany and is currently its chairman co writing with senior journalist and author Seetha shows how it was done in this riveting account of a landmark achievement
