Engaging with Videogames: Play, Theory and Practice Dawn Stobart, Monica Evans, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 Engaging with Videogames focuses on the multiplicity of lenses through which the digital game can be understood particularly as a cultural artefact economic product educational tool and narrative experience Game studies remains a highly interdisciplinary field and as such tends to bring together scholars and researchers from a wide variety of fields and analytical practices As such this volume includes explorations of videogames from the fields of literature visual art history classics film studies new media studies phenomenology education philosophy psychology and the social sciences as well as game studies design and development The chapters are organised thematically into four sections focusing on educational game practices videogame cultures videogame theory and the practice of critical analysis Within these chapters are explorations of sexual identity and health videogame history slapstick player mythology and belief systems gender and racial ideologies games as a body without organs and controversial games from Mass Effect 3 to Raid over Moscow This volume aims to inspire further research in this rapidly evolving and expanding field

Women's Space Melanie A. Marotta, Donald E. Palumbo, C.W. Sullivan III, 2020-01-17 From the Star Wars expanded universe to Westworld the science fiction western has captivated audiences for more than fifty years These twelve new essays concentrate on the female characters in the contemporary science fiction western addressing themes of power agency intersectionality and the body Discussing popular works such as Fringe Guardians of the Galaxy and Mass Effect the essayists shed new light on the gender dynamics of these beloved franchises emphasizing inclusion and diversity with their critical perspectives

Thinking with James Carey Jeremy Packer, Craig Robertson, 2006 James Carey is arguably the founder of the critical cultural study of communication and media in the United States This volume brings together top communication and media scholars to revisit and engage key themes in Carey's groundbreaking work This lively assortment of cutting edge research provides a timely overview of Carey's impact on current scholarship in communication cultural studies and U S history Also included is a wide ranging two part interview by

Lawrence Grossberg in which Carey discusses his intellectual biography revisits his classic essays and argues for the urgent need for democratically motivated scholarship in the contemporary United States **Social Formalism** Dorothy J. Hale,1998 In recent decades literary critics have praised novel theory for abandoning its formalist roots and defining the novel as a vehicle of social discourse The old school of novel theory has long been associated with Henry James the new school allies itself with the Russian theorist Mikhail Bakhtin In this book the author argues that actually it was the compatibility of Bakhtin with James that prompted Anglo American theorists to embrace Bakhtin with such enthusiasm Far from rejecting James in other words recent novel theorists have only refined James s foundational recharacterization of the novel as the genre that does not simply represent identity through its content but actually instantiates it through its form Social Formalism demonstrates the persistence of James s theoretical assumptions from his writings and those of his disciple Percy Lubbock through the critique of Jamesian theory by Roland Barthes Wayne Booth and Gerard Genette to the current Anglo American assimilation of Bakhtin It also traces the expansion of James s influence as mediated by Bakhtin into cultural and literary theory Jamesian social formalism is shown to help determine the widely influential theories of minority identity expounded by such important cultural critics as Barbara Johnson and Henry Louis Gates Social Formalism thus explains why a tradition that began by defining novelistic value as the formal instantiation of identity ends by defining minority political empowerment as aestheticized self representation *Hebrews*, James Ronald K.
