coincidence that many a successful children's book either carries its protagonist's name in the title or is actually named after them. As is Roald Dahl's *Matilda*. As for the world *Matilda* lives in, it contains many elements of different genres such as fairy tales etc. that I will pay my closer attention to, hoping to yield some information on what these worlds include and what makes them so attractive to children and approach to the fantasies and the fantasy world of children.
