Nestingen, 2011-12-31 Scandinavian popular novels and films have flourished in the last thirty years In *Crime and Fantasy in Scandinavia* Andrew Nestingen argues that the growth and visibility of popular culture have been at the heart of the development of heterogeneous publics in Scandinavia in opposition to the homogenizing influence of the post World War II welfare state Novels and films have mobilized readers and viewers serving as a preeminent site for debates over individualism collectivity national homogeneity gender and transnational relations *Crime and Fantasy in Scandinavia* provides insight into the changing nature of civil society in Scandinavia through the lens of popular culture Nestingen develops his argument through the examination of genres where the central theme is individual transgression of societal norms crime films and novels melodramas and fantasy fiction Among the internationally known writers and filmmakers discussed are Henning Mankell Aki Kaurismäki Lukas Moodysson and Lars von Trier *The Return of the Dancing Master*

to the extraordinary but fleeting human journey that delivers both boundless opportunity and crucial responsibility In a series of intimate vignettes Mankell ranges over rich and varied reflections of growing up in a small Swedish town where he experiences a startling revelation on a winter morning as a young boy of living hand to mouth during a summer in Paris as an ambitious young writer of his work at a theater in Mozambique where *Lysistrata* is staged in the midst of civil war of chance encounters with men and women who changed his understanding of the world Along the way Mankell ponders the meaning of a good life and the critically important ways we can shape the future of humanity if we are fortunate enough to have the choice Vivid clear eyed and breathtakingly beautiful Quicksand is an invaluable parting gift from a great man *After the Fire* Henning Mankell, 2017-10-31 Henning Mankell's last novel about an aging man whose quiet solitary life on an isolated island off the coast of Sweden is turned upside down when his house catches fire Fredrik Welin is a former surgeon who retired in disgrace decades earlier to a tiny island on which he is the only resident He has a daughter he rarely sees and his mailman Jansson is the closest thing he has to a friend and to an adversary He is perfectly content to live out his days in quiet solitude One autumn evening he is startled awake by a blinding light only to discover that his house is on fire With the help of Jansson he escapes the flames just in time wearing two left boots Dawn reveals that everything he owns is now a smoldering pile of ash and his house is destroyed forcing him to move into an abandoned trailer on his island A local journalist Lisa Modin who wants to write a story about the fire comes into his life In doing so she awakens in him something that he thought was long dead Soon after his daughter comes to the island with surprising news of her own Meanwhile the police suspect Fredrik of arson because he had a sizable insurance claim on his house When Fredrik is away from the archipelago another house goes up in flames and the community realizes they have an arsonist in their midst *After the Fire* is an intimate portrait of an elderly recluse who is forced to open himself up to a world he'd left behind **Globalization and the State in**

**Contemporary Crime Fiction** Andrew Pepper, David Schmid, 2016-09-23 Why has crime fiction become a global genre How do writers use crime fiction to reflect upon the changing nature of crime and policing in our contemporary world This book argues that the globalization of crime fiction should not be celebrated uncritically Instead it looks at the new forms and techniques writers are using to examine the crimes and policing practices that define a rapidly changing world In doing so this collection of essays examines how the relationship between global crime capitalism and policing produces new configurations of violence in crime fiction and asks whether the genre can find ways of analyzing and even opposing such violence as part of its necessarily limited search for justice both within and beyond the state
