**Fake News in Ancient Greece** Diego De Brasi,Amphilochios Papathomas,Theofanis Tsiampokalos,2024-12-02 Scholars have recognized that fake news is not a phenomenon peculiar to the 21st century While efforts for a more focused approach to fake news in the ancient world have been carried out in the field of Roman history the phenomenon of fake news in ancient Greece has received limited attention The contributions in this volume offer a selective approach to this phenomenon by applying media and cultural studies instruments to ancient texts They pinpoint parallels and differences between ancient and modern fake news by employing methods of literary and cultural studies as well as historical documentary analysis of ancient sources In particular they explore questions such as To what extent does reflection on the concepts of truth lie and opinion influence ancient Greek political rhetorical discourse What is the political or social function of embedding misleading information in ancient Greek historiographical texts or pamphlets Which intentions are pursued with the help of fake news in literary and documentary texts Can parallels be drawn with modern approaches to fake news Thus the volume investigates the mechanisms that historically lay behind the creation dissemination and adaptation of misleading information Domo's Quotes of Inspiration Part 1 D.J. Domo ,2023-07-24 On a daily we all go through things Some expected and some unexpected Some we can control the outcome and others we can t As I went back and thought about my hard times and the quotes I came up with while trying to press forward through all my tribulations and trials These quotes seem to make a lot of sense today So why not share them and hopefully they can help you right along with words of inspiration For so long after dealing with my hard times I ve always been someone who people can come to talk to We all need someone to vent to Not everyone is genuine with that listening ear either I ve given real advice and am not judgmental while giving it I allow people to see things both ways and advise them of what I would do When I approach the conversation with the advice I give I don t force a person to take my advice and use it The final choice is up to you to make the final decision in whatever choice you choose to use and I m going to support you every which way Everyone needs deserves and go looking for encouragement That happens often So why not a better way to incorporate quotes with genuine words of encouragement to inspire someone within this book

recent social philosophy of language not despising references to statistics This is a fundamental book for having a general survey of this period of political turmoil consulting a wide list of references and official documents and having a grasp of the means of intellectual self defense This book is non standard it relies on the most sophisticated theories of language and yet it gives everything in simple and colloquial language Differently from sophisticated analyses of linguistic phenomena it gives the feeling of participating in a tour around what happened in the last decade with a disenchanted eye that uses some results of the critical literature without compelling one to become a theoretician in the field of philosophy or critical analysis The hidden focus of the book is freedom of speech and freedom of thought and what they mean today in an era of more sophisticated and widespread disinformation permitted by the algorithms governing social networks Antagonism on YouTube Stephen Pihlaja, 2014-08-28 This book focuses on the ways in which metaphor contributes to the development of Internet arguments known as drama particularly on YouTube Although a growing body of research into YouTube interaction has developed descriptions of user experience on the site empirical studies of the YouTube video page and discourse analysis of user interaction are rare This research specifically focuses on user interaction around issues of Christian theology and atheism on the site analysing how drama emerges Since YouTube drama occurs publicly Antagonism on YouTube focuses on video pages rather than user reports of their actions and responses It investigates how and why YouTube drama develops through a systematic description and analysis of user discourse activity Through close analysis of video pages this study contributes to a greater academic understanding of Internet antagonism and YouTube interaction by revealing the factors which contribute to the development of drama over time You've Changed Pyae Moe Thet War, 2023-08-08 In this electric debut essay collection a Myanmar millennial playfully challenges us to examine the knots and complications of immigration status eating habits Western feminism in an Asian home and more guiding us toward an expansive idea of what it means to be a Myanmar woman today What does it mean to be a Myanmar person a baker swimmer writer and woman on your own terms rather than those of the colonizer These irreverent yet vulnerable essays ask that question by tracing the journey of a woman who spent her young adulthood in the US and UK before returning to her hometown of Yangon where she still lives In You've Changed Pyae takes on romantic relationships whose futures are determined by different passports switching accents in American taxis the patriarchal Myanmar concept of *hpone* which governs how laundry is done swimming as refuge from mental illness pleasure and shame around eating rice and baking in a kitchen far from white America's imagination Throughout she wrestles with the question of who she is a Myanmar woman in the West a Western educated person in Yangon a writer who refuses to be labeled a race writer With intimate and funny prose Pyae shows how the truth of identity may be found not in stability but in its gloriously unsettled nature **An Oresteia** Aeschylus, Sophocles, Euripides, 2010-03-02 In this innovative rendition of *The Oresteia* the poet translator and essayist Anne Carson combines three different visions Aischylos Agamemnon Sophokles Elektra and Euripides Orestes giving birth to a

**All The Houses I've Ever Lived In** Kieran Yates, 2023-04-27 I tore through the pages. A book I'll read over and over again. CANDICE CARTY WILLIAMS, author of Queenie \_\_\_\_\_ We've all had our share of dodgy landlords, mould and awkward house shares. But journalist Kieran Yates has had more than most: by the age of twenty-five she'd lived in twenty different houses across the country, from council estates in London to car showrooms in rural Wales. In prose that sparkles with humour and warmth, Yates charts the heartbreaks and joys of a life spent navigating the chaos of the housing system. Drawing on interviews with marginalised tenants across the country and the stories behind our interiors, she explores the unexpected ways we can fight back, finding beauty in the wreckage of a broken system, friendships in cramped housing conditions and home even in the most fragile circumstances. All the Houses I've Ever Lived In is at once a rallying cry for change, a gorgeous coming-of-age story and a love letter to home in all its forms. \_\_\_\_\_ Illuminating, thoughtfully written, damning. OBSERVER I read this in two sittings, so incisive it's hard to put down. PANDORA SYKES A beautiful exposition of home and what it means. Stunning. BOLU BABALOLA author of Honey Spice So relatable, injects a

glorious dose of love and joy and hope BIG ISSUE Yates manages the unthinkable she makes the housing crisis funny i
