Digital Populism and the Use of Neo-Propaganda and Fake News Vieira, Andreia Teles, Joaquim, Ana Filipa, Duarte, Alexandre, 2025-05-07 As populism grows across global democracies the integration of new technologies has significantly amplified the use of propaganda techniques and the spread of fake news Tools like social media and artificial intelligence AI make digital technologies privileged vehicles for populist communication Due to the use of fallacies propaganda is confused with fake news though these techniques are broader and based on political strategies to manipulate public opinion With the advent of new technologies and the ever increasing incorporation of AI into social life political parties are facing a form of two way communication without intermediaries meaning they can directly reach and influence the public with reduced costs Understanding the social impact of digital propaganda may help foster political literacy among civil society *Digital Populism and the Use of Neo Propaganda and Fake News* explores various populist parties aiming to identify and understand their use of propaganda and fake news It provides a comprehensive global vision of populism in different nations and examines the communication strategies based on propaganda and disinformation Covering topics such as social media computational propaganda and political rhetoric this book is an excellent resource for political analysts journalists sociologists government officials policymakers researchers academicians and more **AI-Based Metaheuristics for Information Security and Digital Media** Apoorva S Shastri, Mangal Singh, Anand J. Kulkarni, Patrick Siarry, 2023-07-06 This book examines the latest developments in Artificial Intelligence AI based metaheuristics algorithms with applications in information security for digital media It highlights the importance of several security parameters their analysis and validations for different practical applications Drawing on multidisciplinary research including computer vision machine learning artificial intelligence and modified newly developed metaheuristics algorithms it will enhance information security for society It includes state of the art research with illustrations and exercises throughout *Fake News in Ancient Greece* Diego De Brasi, Amphilochios Papathomas, Theofanis Tsiampokalos, 2024-12-02 Scholars have recognized that fake news is not a phenomenon peculiar to the 21st century While efforts for a more focused approach to fake news in the ancient world have been carried out in the field of Roman history the phenomenon of fake news in ancient Greece has received limited attention The contributions in this volume offer a selective approach to this phenomenon by applying media and cultural studies instruments to ancient texts They pinpoint parallels and differences between ancient and modern fake news by employing methods of literary and cultural studies as well as historical documentary analysis of ancient sources In particular they explore questions such as To what extent does reflection on the concepts of truth lie and opinion influence ancient Greek political rhetorical discourse What is the political or social function of embedding misleading information in ancient Greek historiographical texts or pamphlets Which intentions are pursued with the help of fake news in literary and documentary texts Can parallels be drawn with modern approaches to fake news Thus the volume investigates the mechanisms that historically lay behind the creation

dissemination and adaptation of misleading information The Theatre of Fake News James Moran,2022-06-14 This book argues that theatre and drama help us to understand the concern about fake news Moran shows that fake news has arisen in the twenty first century through what are essentially a series of performance contexts Although the concept of fake news has developed to great prominence since 2016 there is a much longer history of theatre makers and thinkers grappling with the ideas that underpin our modern worries about misinformation being distributed in the press in broadcast news and via social media The Fake Good News William Fretwell,2020-06-09 Because all scripture is God breathed Bill believes we have to take all of it into account when we decide where the balance is on any theological point He provides powerful tools for the reader to arrive at a rightly divided position on any doctrine and to reject any position by any preacher teacher that doesn't line up with that He uses Content Context and Covenant the three Cs to help the reader Recognize Reject and Replace the three Rs false doctrine He focuses this effort on three topics the false prosperity message bullies in the pulpit and misinformation about tithing He reveals a multitude of scripture that contradicts what the false prosperity preachers teach and shows how they really teach spiritual poverty He reveals the over 90% of scripture on tithing that most preachers never mention and shows what the true teaching on tithing is He exposes the weaknesses of Bible bullies and shows how to defeat them with the Sword of the Spirit the Word of God *NEO-COLD WAR* ,2024-06-05 This book Neo Cold War delves into the concept of the New Cold War which encapsulates the essence of modern geopolitics It is characterized by contemporary geopolitical competition ideological confrontation and conflicts reminiscent of the Cold War era The book offers a detailed analysis of key geopolitical phenomena strategic challenges and emerging trends that define the New Cold War era It explores the complexity of geopolitical competition the impact of technological development the role of emerging countries and the evolving nature of international relations Addressing current issues such as the rise of China and the resurgence of Russia climate change cybersecurity and pandemics there is a growing need for informed analysis and strategic prediction This book is a timely and essential resource for policymakers scholars and practitioners seeking to navigate the complexities of the New Cold War era and work towards a more stable prosperous and peaceful future **The War on Rescue** William Plowright,2024-12-15 The War on Rescue documents how governments block assistance to people in times of crisis Focusing on the European Migration Crisis of 2015 2022 to address the reasons why governments do this William Plowright discusses the strategies employed that prevent suffering people from receiving help The European Migration Crisis motivated people around the world to offer assistance to needy refugees and migrants across Europe the Mediterranean and North Africa Both large and small organizations rushed to bring food medical care and rescue to those stranded at sea However many European governments sought to prevent humanitarian assistance and deny safe haven to the desperate Boats filled with those rescued were blocked from harbors activists were arrested and staff were threatened some faced violence The War on Rescue adds to social science understanding of and explanations for humanitarian assistance and the reasons why

governments obstruct rescue efforts *Navigating Fake News, Alternative Facts, and Misinformation in a Post-Truth World* Dalkir, Kimiz, Katz, Rebecca, 2020-02-28 In the current day and age objective facts have less influence on opinions and decisions than personal emotions and beliefs Many individuals rely on their social networks to gather information thanks to social media's ability to share information rapidly and over a much greater geographic range However this creates an overall false balance as people tend to seek out information that is compatible with their existing views and values They deliberately seek out facts and data that specifically support their conclusions and classify any information that contradicts their beliefs as false news *Navigating Fake News Alternative Facts and Misinformation in a Post Truth World* is a collection of innovative research on human and automated methods to deter the spread of misinformation online such as legal or policy changes information literacy workshops and algorithms that can detect fake news dissemination patterns in social media While highlighting topics including source credibility share culture and media literacy this book is ideally designed for social media managers technology and software developers IT specialists educators columnists writers editors journalists broadcasters newscasters researchers policymakers and students **The Emerald Handbook of Digital Media in Greece** Anastasia Veneti, Athina Karatzogianni, 2020-10-22 *The Emerald Handbook of Digital Media in Greece Journalism and Political Communication in Times of Crisis* presents the empirical applications of digital media in political communication and in a number of social settings including the environment homelessness migration and social movements **Video Verification in the Fake News Era** Vasileios Mezaris, Lyndon Nixon, Symeon Papadopoulos, Denis Teyssou, 2019-09-17 This book presents the latest technological advances and practical tools for discovering verifying and visualizing social media video content and managing related rights The digital media revolution is bringing breaking news to online video platforms and news organizations often rely on user generated recordings of new and developing events shared in social media to illustrate the story However in video there is also deception In today's fake news era access to increasingly sophisticated editing and content management tools and the ease with which fake information spreads in electronic networks require the entire news and media industries to carefully verify third party content before publishing it As such this book is of interest to computer scientists and researchers news and media professionals as well as policymakers and data savvy media consumers **Fake News in Context** Lesley S. J. Farmer, 2020-12-17 *Fake News in Context* defines fake news and sets it within a historical and international context Helping readers to become more skilled at detecting misinformation the book also demonstrates how such knowledge can be leveraged to facilitate more effective engagement in civic education Distinguishing between fake news and other forms of misinformation the book explains the complete communication cycle of fake news how and why it is created disseminated and accessed The book then explains the physical and psychological reasons why people believe fake news Providing generic methods for identifying fake news Farmer also explains the use of fact checking tools and automated algorithms The book then details how various literacies including news media visual information digital and data offer unique
