Worth It Linda Kage, 2019-12-17 I fell in love once It was amazing She was amazing Life was amazing I lived for each time I could see her and nothing else mattered not that our families were enemies our time together was forbidden or we had to meet in secret Our love could conquer all Until it didn't So I was ripped away from the love of my life and shoved into hell forced to continue without her It shattered me broke the best parts of me left me permanently damaged Or so I thought Years later I swear history's trying to repeat itself because she's back in my life and I'm just as drawn to her as I was before But I'm older and wiser now and I know she should stay away from a worthless piece of ex-con like me So I will not let her in I absolutely refuse to hurt her I will keep her away Then again sometimes risking your greatest fear to get to a smile makes everything worth it and besides I'm not sure I can resist her anyway This is the story of how Felicity Bainbridge changed my life forever starting one summer day long ago after I was forced to change a dirty diaper Knox Parker **The People's**
