

A glowing white cross stands on a dark, pebbly beach. In the background, the ocean meets a sunset sky with vibrant orange, yellow, and purple hues. The sun is low on the horizon, casting a reflection on the water. Waves are breaking on the shore to the right.

Satanism And Cult Religions Dipo Toby Alakija, With historic resignation of Joseph Ratzinger the deposed Pope Benedict who was convicted of crimes against humanity it becomes evident that Satanism is mingled with Christianity and so many other religions High profile members of some respectable Christian denominations charity character building and other organizations are implicated in the practice of Satanism and cult religions Satanism and cult religions have also infiltrated all areas of life including world politics economy education different cultures laws and social orders With various studied cases like the association of UNO with Lucis Trust which was once known as Lucifer Trust in 1923 results of research works prove that Satanism and cult religions are both strongholds that are used to subdue nations all over the world with exception of none This book makes serious attempts to expose some of these strongholds proving the facts that the official reports about missing people and the discoveries of mass graves of school children in many areas are all governments efforts to cover up truths about human ritual sacrifices that are taking place everywhere in the world Inquebrantable John

INTO REAL LIFE Gene Earline Marie my daughter and Byron my son We were married in 1955 by Dr Lee Roberson who had a practice of not marrying anyone who was not a Christian Little did we realize then what a difference it makes for both spouses to be Christians and for God to control your family We give God the credit for our successful marriage of 43 years We were average Christians who never had really done anything very bad or very good Although I had held most of the positions in the church there was not much love in my heart for others Nor did we see much love in the many churches we attended as I moved around the United States following the engineering profession Worship services were more of a formality Earline had a number of miscarriages Thyroid and parathyroid were completely removed as a teenager The doctors said that we could not have any children Earline began praying and in 1960 God rewarded us with a beautiful boy we named

Byron Two years later God gave us a beautiful baby girl we named Marie They were all the children we could have because of Earline s health We went to traditional churches They did not teach us about the miracle working God We did not see the miracles of God for twenty years After several medical checkups culminating in a 500 00 one in 1973 it was conclusively proven that Earline had no thyroid or parathyroid According to the doctors she could not be alive but was doing fine at 40 years of age We later recognized that our children were medical miracles We had a near perfect family for 12 1 2 years then tragedy struck Byron climbed a tree and touched a 4000 volt power line and fell 50 feet We really began to see God at work in our lives I would like for Earline to tell what happened We still don t understand why it had to happen or what all God has done for us On May 22 1973 my world came to a crushing halt As the children played two neighbors came over to join me for tea The children came in for cookies and went out again Byron stood by my chair his arm on my shoulder gave me a little hug and said some day he would climb a tree to the very top Turned on the run and said You re a nice mom went out the door and climbed a tall cottonwood Soon one of the children said that Byron had fallen out of the tree One look at Byron and I knew only God could help him Marie and I began to pray as never before Nothing in my life had prepared me for this moment No faith in God rose to meet this crisis On the way to the hospital we became sure that God didn t love us or He would never have let this happen Having nothing else to cling to we clung to God anyway and Psalm 50 15 At the hospital I accused God of not living not caring not being He so lovingly said I love you Gene and Marie more than you love each other more than you love yourselves I love Byron more than you do I couldn t believe Him I told God if He didn t do something to prove He loved us and that Byron was in Heaven I would kill them and myself I told Him if Byron was not in Heaven I didn t want any part of it either With all this fussing at God I could only feel love coming to me He said All things are His including the tree the power line and all the earth according to Psalm 50 10 12 I heard myself telling Satan to remove death from Byron in the name of Jesus Byron lived on as a miracle I didn t know this was possible rebuking Satan in Jesus name After Gene arrived I told all God had said We could not believe that God really was talking We didn t know He talked today As we prayed together God assured us of His love and His everlasting knowledge
