Losing Our Language Sandra Stotsky,2002 This book argues that it is the incorporation of a multicultural agenda into basal readers the primary tool for teaching reading in elementary schools that has stunted American children s ability to read The book shows how basal readers have been systematically dumbed down in an effort to raise minority students self esteem It contends that while elementary readers of the past featured excerpts from classic stories such as Arabian Nights and Robinson Crusoe with a complex vocabulary and sentence structure able to challenge the imagination and build reading skills today s basal readers present students with politically and ethnically correct stories whose language is virtually foreign and unable to engage students According to the book drawing words from Swahili Spanglish and other trendy dialects to teach students with a shrinking English vocabulary is a symptom of this intellectual and cultural disorder The book showcases interviews with teachers gives an in depth analysis of reading texts over the past 30 years and talks about how pressure groups have affected educational publishers It points out that literacy cultural and verbal gives all students but particularly those from poor or minority backgrounds personal independence and achievement and the ability to participate fully in civic life Each of the 11 chapters includes notes NKA Leading for Learning Phillip C. Schlechty,2011-01-11 Leading for Learning Written by acclaimed school reform advocate Phillip C Schlechty Leading for Learning offers educators the framework tools and processes they need to transform their schools from bureaucracies into dynamic learning organizations Schlechty explains how to move beyond some of the deeply ingrained and negative conceptions of schooling that guide so much of their practice He shows educators how they can take advantage of new learning technologies by increasing their organization s capacity to support continuous innovation Clearly not for the fainthearted Schlechty s engrossing appraisal of American education calls for a bold truly fundamental transformation of how we run our public schools Some books are thought provoking this one is action provoking W JAMES POPHAM professor emeritus UCLA Dr Schlechty has once again written an insightful book that educational leaders can use as a road map in transforming our schools into learning organizations designed to serve twenty first century students DR RANDY BRIDGES superintendent Alamance Burlington School System NC Because education is ultimately a community responsibility Schlechty s proposal to shift school systems from bureaucracies to learning organizations can open doors to citizens who are frustrated by the bureaucracy in their efforts to reclaim their role in education This book is as much for them as it is for professional educators DAVID MATHEWS president Kettering Foundation Anyone in a school leadership position from the board room to the classroom should read this
