**Ebony** ,1969-10 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine Black World/Negro Digest ,1970-02 Founded in 1943 Negro Digest later Black World was the publication that launched Johnson Publishing During the most turbulent years of the civil rights movement Negro Digest Black World served as a critical vehicle for political thought for supporters of the movement **Ebony** ,1970-01 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine Ebony ,1970-02 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Black Book Publishers in the United States** Donald Franklin Joyce,1991-10-14 Since the second decade of the nineteenth century there have been black owned book publishers in the United States addressing the special concerns of black people in ways that other book publishers have not This is the first work to treat extensively the individual publishing histories of these firms Though largely ignored by historians the story of these publishers as documented in this study reveals fascinating details of literary history as well as previously unknown facts about the contribution of blacks to Western civilization Donald Franklin Joyce offers comprehensive profiles of forty six publishing companies selected for inclusion through an examination of major bibliographic works book advertisements periodical literature and business directories Each profile contains information on the company s publishing history books and other publications that were released information sources about the firm other titles issued libraries holding titles produced by the publisher and officers and addresses where appropriate Entries are arranged alphabetically by the publisher name while an appendix presents a geographic listing of the firms and an index offers author title and subject access This work will be an important resource for students scholars and researchers interested in cultural and intellectual black history as well as public and academic libraries seeking specific information on individual publishing companies **Great Negroes, Past and Present** Russell L. Adams,1976 Brief one or two page biographies of important Negroes from ancient to modern times and from many professions including science education art music and religion **Encyclopedia of African American History, 1896 to the Present** Paul Finkelman,2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century Blacks in the Law Geraldine R. Segal,2016-11-11 In Blacks and the Law Geraldine R Segal carefully and completely details the history and current status of black lawyers judges law professors and law students in the United States Extensive research into all available materials for Philadelphia supplemented by interviews and questionnaires results in an unrivaled study of the situation in one city Her findings are then placed in a national setting by using comparative data from fifteen other American cities The wealth of data presented here shows the persistence of high degrees

of racial exclusion and underrepresentation practiced by the legal profession over many years Countervailing these findings are success stories of enormously motivated and determined blacks who have overcome great obstacles to attain high positions as lawyers and judges Within the legal establishment increasing numbers of whites have dedicated themselves to lowering barriers to black participation Blacks and the Law brings to light the racial prejudices of the white American legal community as well as its efforts to overcome such biases It also shows the massive effort black people have made to achieve significant but limited progress toward integration of the legal profession and indicates the amount of work still ahead This study is therefore of vital interest to all members of the legal profession students of race relations social mobility and the professions Philadelphians and others who follow the struggle for racial equality **The Dictionary Catalog of the Vivian**
