Howard A Snyder, 2015-10-29 Most Americans know the story of Pocahontas but not the fact that she was a Christian and the reasons for her dramatic conversion Pocahontas had a history altering encounter with Jesus Christ A key figure was Alexander Whitaker pioneer Anglican missionary in Virginia who taught Pocahontas the Christian faith but is almost totally unknown today This story of Pocahontas has never fully been told Or it has been ridiculed Yet it is true as this book now documents In these pages the real Pocahontas comes alive as a flesh and blood person with her own thoughts and decisions This book shows the beauty the romance and the tragedy of Pocahontas s short life It also traces the way the Pocahontas story has been used and misused over the past 400 years opening the door to the larger issue of the suppression of native peoples in US history The real story of Pocahontas presents a timely case study both in the history of missions and the history of America an investigation of the interplay between gospel culture and national mythology **A Dissertation on Fevers and Inflammatory Distempers**
