living the end times when the antichrist is approaching and it is urgently necessary to repent and be reconciled with God with our Lord Jesus Christ intercessor between God and man and the anointing of the Holy Spirit who is the love of God and our protector and accepting each other as we are as God accepts us as we are producing the miracle of unity harmonizing the body of Christ in love faith and obedience For now the Bible announces that we are in the end times and we must prepare ourselves to await the coming of our Lord Jesus Christ to go in the rapture to eternal life *Pathway of Prayer Walking* Tallman Joann Tallman,Joann Tallman,2010-06 Pathway of Prayer Walking shares some of Joann Tallman s experiences from around the world as she walked the lands of many countries This book will help readers learn how to use God s Word in praying victoriously for the breaking of strongholds and the tearing down of corruption Through personal stories and instructions given by the Holy Spirit Joann has gathered valuable life wisdom in her journeys *A Victory Song* Sarah Dickens,2022-03-16 Sarah has been a Christian since she was eight years old Her life seemed very carefree and innocent until her bipolar disorder diagnosis which put her faith in Christ to the test and left her in a state of complete brokenness Despite her brokenness God was still able to use Sarah out of her pain in the midst of her struggle with bipolar disorder This book portrays the many heart wrenching difficulties that Sarah faces such as a challenging and emotionally straining mother daughter relationship a former relationship with her ex boyfriend and seasonal friendships This book depicts Sarah s testimony of how the Lord was able to use Sarah s bipolar disorder diagnosis to overcome these obstacles as well as strengthen her faith in Jesus Christ Her story is one of great courage valiant faith and sheer boldness in the Lord

Prayer-Walking for Revival in the Uk & Southern Ireland Harry J H Pritchard,2019-07-22 Is it possible that the Lord will visit the UK and Southern Ireland with another heaven sent Revival The author believes that this is what the Lord has promised as he prayer walked the length and breadth of Wales Northern and Southern Ireland Scotland and England and experienced the Lord guiding and providing each step of the way The Lord particularly blessed him through the love and kindnesses of the numerous folk he met along the way Read how from slow stuttering steps on a trial run when he barely managed to prayer walk 2 miles how he was able to complete in total nearly 2 000 miles On one particular day and into the early hours of the next one he was enabled to prayer walk 45 miles *The Conqueror's Tread* Shandon L. Guthrie,2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror s Tread dares to take a reasoned approach to pressing

questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more

The Word and Power Church Douglas Banister, 2009-09-03 You don't have to head overseas to find a war In the church the rhetorical cross fire between evangelical and spirit filled Christians over the past hundred years has been withering No scriptural foundations is the charge evangelicals have leveled at the charismatics No spiritual power the latter have countered The boundaries are clear The positions are taken and guarded Either you're a Word person or a Power person Today though such black and white either/or thinking is giving way to the liberty and promise of a Word and Power church Pastor Doug Banister shows why we cannot afford to settle for less It's time to bury our differences which are largely artificial and discover the incredible potential that arises when evangelicals combine their strengths with Pentecostals and charismatics Taking a long careful and honest look at the Scriptures at church history and at the state of the church and the world today Pastor Banister reveals why Pentecostalism and evangelicalism need each other Each tradition possesses strengths that are essential to a balanced life changing faith The Word and Power Church shows how these two mighty rivers add to rather than subtract from each other At the cusp of a new millennium they are in fact merging into one river Word and Power churches may experience turbulence where the waters meet but they teem with life hope faith and power to reach a desperate world with the Gospel Filled with personal anecdotes this fascinating thought provoking and candid book supplies the why's and how's of a Word and Power approach What you won't find is preferential treatment of one view over another What you will find are thoughtful biblical insights that will challenge you and inspire you And you'll discover practical guidance for charting your own course whether as an individual or as a church toward a faith that embraces the truth of the Word and the power of the Spirit As a solidly evangelical seminary graduate and pastor Banister admits to having disdained charismatics That is until meticulous study of God's Word convinced him that miraculous gifts of tongues healing and prophecy are indeed valid for today As he details his journey beyond categories Banister explores the reasons for the age old rift between the two camps and the ways in which healing is taking place in new Word and Power churches all over America When evangelicals and charismatics bring together the best from each tradition he has discovered that the result is a strong unified body Word and Power churches affirm the authority of Scripture and encourage the prophetic embrace of those who pray in a spiritual language pursue obedience to Christ edify the believer and evangelize the seeker heal the sick and comfort the suffering The Word and Power Church will speak to Christians everywhere who want to walk in both the integrity of Scripture and the power of the Holy Spirit *The Life of the Body* Valerie E. Hess, Lane M. Arnold, 2012-11-14 Jesus had a body Beginning with this simple reminder spiritual formation experts Valerie Hess and Lane Arnold look at how

we relate as physical beings in a material world and how that forms our inner life Filled with creative exercises this book brings you into a new relationship with food worship the seasons the planet and more **Walk in the Desert** Helen MacKinnon, 2002-04-26 Every life has both highs and lows It s wonderful when we stand on the Mountains but how do we survive the dry desert Walk in the Desert is a book with two true stories from my life that may give solace to others knowing they are not alone Valley of tears is only a six week period which covers diagnosis to death of a young adult daughter Summer on Cape Cod is the story of brain tumor surgery and recovery This should give hope to the many who will receive that diagnosis It is not always a death sentence
