Omega Healing is the culmination of all his experience gained in all these interrelated fields and interests. This eBook explains the background of Omega Healing a dynamic ever evolving science and art of integrating lots of different aspects of healing into one system. Roy Martina says I use the best and most effective methods I can find there is only one purpose to support the healing of my patients my family and my self. Omega Healing is not my invention it is what I use to help people and it is the best of the best techniques I have learned discovered or sometimes created. I don't claim it is the only way or the best way I claim only that so far it is the best I could find and the search is far from over. **Somewhere for You English version** ISAO
