

Recorded  Books

"I woke up with a smile on my face every morning during the two or three days I spent reading His Ownself. It's a casual and sly sportswriter's memoir... one of those books that reminds you that good stories happen only to people who can tell them."—Dwight Garner, New York Times

HIS OWNSELF

A SEMI-MEMOIR

DAN JENKINS

NARRATED BY HENRY STROZIER

His Ownself A Semi Memoir

Dan Jenkins

His Ownself A Semi Memoir:

His Ownself Dan Jenkins, 2014-10-28 In *His Ownself* Dan Jenkins takes us on a tour of his legendary career as a sportswriter and novelist Here we see Dan s hone his craft from his high school paper through to his first job at the Fort Worth Press and on to the glory days of Sports Illustrated Whether in Texas New York or anywhere for that matter Dan was always at the center of it all hanging out at Elaine s while swapping stories with politicians and movie stars covering every Masters and U S Open and British Open for over four decades The result is a knee slapping star studded once in a lifetime memoir from one of the most important hilarious and semi cantankerous sportswriters ever **Growing Up in the Lone**

Star State Gaylon Finklea Hecker, Marianne Odom, 2021-04-06 Gaylon Finklea Hecker and Marianne Odom began the interviews for this book in 1981 and devoted a professional lifetime to collecting the memories of accomplished Texans to determine what if anything about growing up in the Lone Star State prepared them for success The resulting forty seven oral history interviews begin with tales from the early 1900s when Texas was an agrarian state and continue through the growth of major cities and the country s race to the moon Interviewees recalled life in former slave colonies on gigantic ranches tiny farms and sharecropper fields and in one horse towns and big city neighborhoods with relatable stories as diverse as the state s geography The oldest interviewees witnessed women earning the right to vote and weathered the Great Depression Many remembered two world wars while others recalled the Texas City explosion of 1947 and the tornado that devastated Waco in 1953 They witnessed the advent of television and the nightly news which helped many come to terms with the assassination of a president that took place too close to home Their absorbing reflections are stories of good and bad hope and despair poverty and wealth depression and inspiration which would have been different if lived anywhere but Texas

Obituaries in the Performing Arts, 2019 Harris M. Lentz III, 2020-10-28 The entertainment world lost many notable talents in 2019 including television icon Doris Day iconic novelist Toni Morrison groundbreaking director John Singleton Broadway starlet Carol Channing and lovable Star Wars actor Peter Mayhew Obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2019 are included in this edition Date place and cause of death are provided for each along with a career recap and a photograph

Filmographies are given for film and television performers **Stick a Fork in Me** Dan Jenkins, 2017 A humorous non politically correct look into the life of college athletics Pete Wallace the most persevering glad handing athletic director who ever worked in higher education reminisces about some of the strangest episodes in his career from dealing with Title IX regulations and liberal professors to handling student athletes with anger and mental health issues **Dead Solid Perfect** Dan Jenkins, 2000-04-18 The legendary golf novel rereleased in a special edition with a new foreword by the author Don Imus said it best Dan Jenkins is a comic genius And nowhere is that genius more evident than in *Dead Solid Perfect* his uproarious 1974 novel about life on the PGA Tour To some Kenny Lee Puckett the star of Jenkins s ribald saga is a more important figure

in the history of golf than Bobby Jones himself **Sports Makes You Type Faster** Dan Jenkins,2019-04-18 Sports Makes You Type Faster presents a remarkable new collection of essays by one of America's best known and best loved sportswriters. Served up with the acerbic wit that is Dan Jenkins's hallmark, the essays range over the whole world of sports, taking aim at owners, players, fans, and franchises alike, with results that will make you laugh out loud. Winner of the 2012 PEN/ESPN Lifetime Achievement Award for Literary Sports Writing, Dan Jenkins became nationally known for his twenty-five year long career with Sports Illustrated and later for his work as a feature writer and essayist for Golf Digest. His many novels include bestsellers like *Semi-Tough*, *Baja*, *Oklahoma*, and *Dead Solid Perfect*, all of which were made into movies. Among other achievements, Jenkins has been honored with the 2013 Red Smith Award and the 2017 Ring Lardner Award for Excellence in Sports Journalism, and in 2012 he was inducted into the 2012 World Golf Hall of Fame Lifetime Achievement Category.

Unplayable Lies Dan Jenkins,2016-04-05 In *Unplayable Lies*, Dan Jenkins takes us on a tour of the links as only he can do it. Here, Dan delves into the greatest rounds of golf he's ever seen, the funniest things said on a golf course, the rivalries on tour, and in the press box, the game's most magical moments and its most absurd. Filled with well-known characters like Tiger Woods to others like Titanic Thompson, gambler, golf hustler, accused murderer, legendary storyteller, *Unplayable Lies* is an ode to the game of golf and the people who play it. But it is Dan Jenkins, so nothing, even the game itself, can escape his wrath, his critical eye, or his acerbic pen. This is Dan Jenkins at his best, writing about the sport he loves the most. *LIFE ITS OWN SELF* Dan Jenkins,2015-04-07 From the author of *Semi-Tough*, one of Sports Illustrated's top 100 sports books of all time, comes the hilarious continuing comic adventures of star NFL player Billy Clyde Puckett. Injured football player and TV sports commentator Billy Clyde Puckett returns with his wife, the former Barbara Jane Bookman, and his old friend Shake Tiller in another hilarious romp through a lost era of professional sports. **The Open Question** Peter May,2021-05-12 Golfing legend Ben Hogan went to his grave believing he had won a record five US Open titles. The USGA says otherwise, and the controversy has endured for over 75 years. In 1942, the United States Golf Association (USGA) cancelled its four golf tournaments for the duration of World War II. But then it did something different: in only that year, it sponsored the Hale America National Open on the same weekend as the cancelled US Open. The great Ben Hogan won that tournament and went to his grave believing he had therefore won a record five US Open titles. In *The Open Question*, Peter May turns his attention to this controversial, colorful Hale America National Open of 1942. While providing an in-depth look at the tournament itself, May champions Hogan's claim to five US Open titles and debunks some questionable assertions that the tournament was not worthy of a US Open. Set against the backdrop of World War II, May also tells the stories of other professional golfers in the tournament and the impact of the war on all their lives. The USGA has never recognized the Hale America Tournament as an official US Open and remains firm in its stance. It was a decision that bothered Ben Hogan for the rest of his life. *The Open Question* shows how dominant Ben Hogan was against some of the biggest names in golf and reveals why he deserves to be

recognized as a five time US Open winner *Graphic Medicine Manifesto* MK Czerwiec, Ian Williams, Susan Merrill Squier, Michael J. Green, Kimberly R. Myers, Scott T. Smith, 2020-05-18 This inaugural volume in the Graphic Medicine series establishes the principles of graphic medicine and begins to map the field The volume combines scholarly essays by members of the editorial team with previously unpublished visual narratives by Ian Williams and MK Czerwiec and it includes arresting visual work from a wide range of graphic medicine practitioners The book's first section featuring essays by Scott Smith and Susan Squier argues that as a new area of scholarship research on graphic medicine has the potential to challenge the conventional boundaries of academic disciplines raise questions about their foundations and reinvigorate literary scholarship and the notion of the literary text for a broader audience The second section incorporating essays by Michael Green and Kimberly Myers demonstrates that graphic medicine narratives can engage members of the health professions with literary and visual representations and symbolic practices that offer patients family members physicians and other caregivers new ways to experience and work with the complex challenges of the medical experience The final section by Ian Williams and MK Czerwiec focuses on the practice of creating graphic narratives iconography drawing as a social practice and the nature of comics as visual rhetoric A conclusion in comics form testifies to the diverse and growing graphic medicine community Two valuable bibliographies guide readers to comics and scholarly works relevant to the field

The Captivating World of E-book Books: A Comprehensive Guide Revealing the Advantages of Kindle Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and ease of availability, have freed readers from the constraints of hardcopy books. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of His Ownself A Semi Memoir eBooks, including some popular titles.

FAQs About His Ownself A Semi Memoir Books

What is a His Ownself A Semi Memoir PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a His Ownself A Semi Memoir PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a His Ownself A Semi Memoir PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a His Ownself A Semi Memoir PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to

convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a His Ownself A Semi Memoir PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
