The main characters Craig Johnson and his wife Kitty first appeared in Gil Alligood's novel *Dark Paths to Light*. At the direction of the President they formed a company Alpha Planning and Consulting Inc that employs former government agents to secretly identify terrorists and terrorist groups. The information is then passed to another group Team Omega for disposition of problems. Craig, Kitty and agents of Team Alpha are Christians who are deeply bothered by terrorist activities throughout the world and what they find is necessary to thwart their destructive plans and activities that could produce human suffering. Team Alpha is a hard hitting story of adventure and intrigue that will keep readers excited and bothered at the same time.
