His Golden Heart:

GoldenHeart: The Legacy Dylan Reneerkens, 2022-05-06 Important This book is the 14th book in our Superhero Universe The GoldenHeart family had disappeared without a trace For 26 years the protectors of the South of Magickla were gone leaving behind only their enchanted armor and the legendary sword known as the Heart Their former temple had been turned into a museum where the weapon remained sealed behind thick glass untouched and undisturbed Monica had just started working there as a guard but the museum had always felt like home She had visited it for years as a child drawn to the stories of the GoldenHeart family as if something inside her longed for a connection she couldn't explain Her favorite piece was the Heart a living sword said to contain the spirit of the first GoldenHeart It would kill anyone who wasn't of the bloodline Then one day a man appeared at the museum claiming to be a GoldenHeart He tried to steal the sword But the Heart didn't obey him Instead it flew into Monica's hand And suddenly the past wasn't just history anymore it was hers

Strategos: Rise of the Golden Heart Gordon Doherty, 2022-08-29 Even in the darkness of war there is always a flicker of hope AD 1068 The Seljuk Sultanate tears at Byzantium's borders Alp Arslan's armies grow stronger with every victory while the Byzantines' forces dwindle the hope in their hearts guttering its last All cry out for a new warrior emperor to lead them to salvation This war has been Apion's mistress for many years now As Strategos high general of the Chaldian border army he is driven shrewd and fearless When news emerges that a new soldier emperor Romanus Diogenes is to be crowned Apion is summoned to Constantinople to witness the ascension It is not the formality he expects Instead he is lured into a lethal plot where enemies within seek to divert power into the hands of another Then reports arrive of a renewed Seljuk assault on the Byzantine borders Apion must use all his wits to guide Diogenes safely onto the throne and then spirit him to the head of the army to meet the Seljuk threat and to give the soldiers back their hope The thrilling second novel in the Strategos series perfect for fans of Angus Donald and Conn Iggulden [Path of the Golden Heart](#) Cindy Jarrett, 2015-11-05 Path Of The Golden Heart Conscious Dating In An Unconscious World the first book in Cindy Jarrett's Conscious Relationships Series is based on Cindy's pioneering work into the necessity for emotional maturity as the key for healthy and sustaining love relationships to succeed It is an in depth training that brings truth back into the dating process where single men and women can fully be their authentic selves while getting to know each other It brings an end to the suffering that has long been associated with dating It is a modern approach to dating that dispels the myths about the games in dating many authorities try to promote This training brings single people the necessary education as to why love has become so difficult to attain and what stands in the way of effortlessly entering into love relationships Readers are provided easy and accessible actions to take that makes Conscious Dating a welcomed relief Love what we all desire It matters most to us and drives us to do the most courageous to craziest of things Love is what gives us our supreme experiences and challenges It is our most powerful expression Love heals all things And love is our greatest teacher Yet love eludes us It is everywhere and missing in

so many hearts We fear it We run from it We long for it We deserve it It is our birthright And it is this desire for love that brings us to the dating ritual again and again And love is not enough We need more than just love to build and sustain a healthy relationship We also need commitment clarity honesty character an inner life consistency maturity an open heart forgiveness training guidance consciousness more maturity healthy communications sensitivity have I said maturity yet and much much more We don't usually relate to love or love relationships with maturity in mind We don't necessarily declare that these elements are also what loving another requires *The Golden Heart: Mahanta Transcripts* Harold Klemp, 1997-07-01

Through stories inspiring viewpoints and simple everyday exercises the author shows how to clearly recognize the relationship between the physical life and the spiritual self The Golden Heart is a thought provoking book on how to achieve a greater spiritual understanding regardless of your background *The Golden Heart and Other Fairy Stories* Violet Jacob, 2020-09-28

The night lay clear upon the North Sea but now and then a soft wind came floating by it whistled through the rigging of a fishing smack in which a little boy lay under a tarpaulin peeping over the side of the boat down into the water below His father had told him to be still and to go to sleep so he lay looking up at the spangled sky above and the masts rocking to and fro against the stars as the boat swayed about Sometimes he thought the tall dark forms looked like black arms trying to reach the bright lamps and put them out He did not feel sleepy as he lay by himself and he began to wonder as he gazed into the water how deep it was down there and whether the little fishes among the shells and seaweeds were ever told by their fish fathers to go to sleep and if so whether they found it as hard to do as he did Presently he saw the eyes of a great shining fish staring up at him It opened its mouth as if it wished to be friendly but hardly knew how to begin so the little boy plucked up courage though he had never met a fish before and was not quite sure how to address one Is it very cold in the sea he inquired shyly That depends on what you are accustomed to replied the fish For my part I should say it was a particularly warm night for the time of year What in the world do you find to do in that monstrous boat Is there anything worth eating up there It's very dull said the little boy My father said I was to go to sleep but I can't I'm not sleepy Why don't you come down here suggested the fish It stands to reason that it must be much more amusing in the water I should be drowned I can't swim like you How dreadfully ignorant remarked the fish The little boy was rather hurt at this and made no reply Well continued the hoarse voice from below if you like to come with me I can show you some of the most wonderful things in the world you can hold by my tail and I'll pull you along You can't drown so long as you don't let go The little boy was much tempted But are you sure you won't leave me he asked anxiously Goodness no replied the fish I'll see that no harm comes to you You are evidently a shockingly ignorant child and it would be real charity to show you something of the world Come along and don't be silly The little boy looked round to see that there was no one near then he slipped over the side and in another minute was in the sea and holding firmly to the tail of his new acquaintance Away they shot through the clear water it was not nearly so cold as it had looked and the rapid motion was very exciting On they flew smoothly and easily they

passed tall ships and curiously shaped masses of rock sticking up out of the sea Great twisted pieces of sea weed floated by them and the flashing lights of Orion s Belt seemed suspended from the dark blue arch overhead while up in the north the Northern Lights shot their trembling streamers far into the centre of the sky By the time day was dawning they had reached a tract of ocean where there was neither sail nor coast and where the rolling line of water stretched for miles around Now said the fish I will show you one of the strangest things in the world Can you see anything between us and the horizon I see a dark spot a long way off The light was growing brighter every moment and pale streaks in the sky began to kindle the sea when the fish and his companion drew near the object of which they had been speaking In the midst of the heaving water there rose a steep rock on its grim sides grew neither sea weed nor anything to give sign of life There was an oppressive silence hanging over everything and the water lay dark and still no little wave played against the relentless stone On the top of this rock a beautiful woman sat with her hands clasped together She wore a black robe against which her arms shone like ivory and her hair flowed in a shower over her shoulders Now and then she raised her eyes and looked out to sea they wandered over the horizon and rested with a look of sad expectation upon it then she sighed and glanced down at something which she held in her hand Beside her stood the only living creature excepting herself visible on that desolate place a gigantic grey cormorant of terrible aspect and size A gleam of light from the rising sun shot over the waters and as it touched the woman s hair with its first rays the cormorant flew up into the air From some hidden place in the rock another bird appeared and joining its mate rose with him far above their bleak abode then the two sailed away and were soon lost in the distance What does it all mean Oh do tell me begged the little boy I thought I could show you something surprising chuckled the fish this is the history of it I am one of the very few who know anything about it Inside that rock in a cavern which is reached by a passage to which no one knows the entrance sits an old witch she is very wicked and is sometimes able to cast dreadful spells upon her enemies That Princess who sits there is the daughter of a King whose country is an immense way off and who once had the ill luck to offend the old woman So when the Princess was a child she went to the King s palace and stole her away here she has kept her sitting year after year upon this lonely rock with no one to speak to but the old cormorant Every day he keeps guard in case someone should come to take her away and every morning he flies off to fish with his mate who has a nest just now and young ones in a cave of the rock Once in two days the hag comes out to bring the Princess food and to ask her whether she sees anyone coming and when she gets no reply she laughs and leaves her again

Nietzsche's Epic of the Soul T. K. Seung,2005-06-14 Thus Spoke Zarathustra is Nietzsche's most problematic text There appears to be no thematic connection between its four Parts and numerous sections To make it even worse the book contains a number of thematic contradictions The standard approach has been a method of selective reading that is most critics select a few brilliant passages for edification and ignore the rest This approach has turned Nietzsche's text into a collection of disjointed fragments Going against this prevalent approach T K Seung presents the first unified reading of the whole book He reads it as the record of Zarathustra's epic journey to find spiritual values in the secular world The alleged thematic contradictions of the text are shown to indicate the turns and twists that are dictated by the hero's epic battle against his formidable opponent His heroic struggle is eventually resolved by the power of a pantheistic nature religion Thus Nietzsche's ostensibly atheistic work turns out to be a highly religious text The author uncovers this epic plot by reading Nietzsche's text as a baffling series of riddles and puzzles Hence his reading is not only edifying but also breathtaking In this unprecedented enterprise the author takes a complex interdisciplinary approach engaging the five disciplines of philosophy psychology religious studies literary analysis and cultural history
