INTRODUCTION INTRODUCTION The Seabees of the United States Navy were born in the dark days following Pearl Harbor when the task of building victory from defeat seemed almost insurmountable The Seabees were created in answer to a crucial demand for builders who could fight Using sailors to build shore based facilities however was not a new idea Ancient Egyptians Phoenicians Greeks and Romans did it In more recent times from the earliest days of the United States Navy sailors who were handy with tools occasionally did minor construction chores at land bases After the 7 December 1941 Japanese attack on Pearl Harbor and the United States entry into the war the use of civilian labor in war zones became impractical Under international law civilians were not permitted to resist enemy military attack Resistance meant summary execution as guerrillas The need for a militarized Naval Construction Force to build advance bases in the war zone was self evident Therefore Rear Admiral Ben Moreell determined to activate organize and man Navy construction units On 28 December 1941 he requested specific authority to carry out this decision and on 5 January 1942 he gained authority from the Bureau of Navigation to recruit men from the construction trades for assignment to a Naval Construction Regiment composed of three Naval Construction Battalions This is the actual beginning of the renowned Seabees who obtained their designation from the initial letters of Construction Battalion Admiral Moreell personally furnished them with their official motto Construimus Batuimus We Build We Fight Can Do! Unbreakable Hearts: A True, Heart-wrenching Story About Victory...Forfeited! Earl Dusty Trimmer,2019-05-16 Earl Dusty Trimmer relates with both skill and personal experience events surrounding our most forgettable and misunderstood war in America s history He brings it all home with his down to earth style and considerable knowledge In *Unbreakable Hearts* Dusty dives into the Vietnamese history and culture and skillfully brings the reader into understanding our Vietnamese enemy s amazing resolve He brilliantly explains the evolution of our Vietnamese enemy over hundreds of years of invasions and wars Always defending their country to remain free became an art In Chapter 7 Dusty describes the Vietnamese women fighters as Hellcats My own experience with the formidable Vietnamese Viet Cong women s skills and expertise closely mirrors Dusty s Hooch girls could plant booby traps in a GI s hooch with a skill and savvy they were forced to learn during decades of on the job training in continuous wars with unwelcomed invaders My own Military Police experience after leaving the infantry revealed these incidents vividly In later chapters Dusty moves into our own veterans profound resolve and toughness North Vietnam s famed General Giap called us an honorable enemy One could suggest from this writing that our enemy taught us well We did things in the Vietnam War the average person would have to go to the movies to believe After reading Trimmer s descriptions I must conclude that indeed this book could be one for the movie industry Dusty Trimmer brings to life our days and nights living and fighting in these foreboding jungle warfare conditions After reading this fine work and reflecting on my own experiences I cut away a little more of the pain Pride swells for having served with all of these wonderful veterans of the Vietnam War Pain for our terrible losses For myself these experiences culminated in wisdom I would otherwise have failed to achieve God bless Dusty for telling our story Forward march Brothers
