Journeys Texas 2nd Grade:

Wandering Heart: a Gay Man's Journey John Loomis M.D.,2010-02-04 John Loomis grew up in a small South Texas town during the last days of the Great Depression and World War II As an only child and with disturbed parents he was isolated from his peers Growing up shy bookish and knowing from a very early age that he was different in some unacceptable way he was very distressed to find out from the high school library that he was gay There was no one to turn to for help or information He thought the only other gay person on earth was Andre Gide the great French writer but he was too far away to visit Feeling alone but not lonely he went on to college and medical school and after that did psychiatric training and opened an office in New York City Gradually he made peace with being gay and began a search for love which led to many adventures disasters happiness and heartbreak After inheriting the family business he was torn between it and his medical practice He developed alcoholism the family disease and was also troubled by recurrent depressions Beginning his recovery from alcoholism in 1977 he has been able to construct a generally happy life **Journey to Heaven** Rachel

Anderson,2020-09-24 I wrote the last chapter first because my Celestial Team urged me over and over again to write Larry's story Then one night the Holy Spirit told me to write a book giving me all of these chapters Some may make you laugh and some may even make you cry We truly can do all things through Christ who strengthens us May the Lord bless you on your life's journey Rachel Anderson *From Moravia to Texas* Sam Kopecky,2020-10-07 As the early 20th century steadily

recedes into the distant past many details of daily life during that American pre depression period fade to an increasingly abstract perspective void of the feeling brought to life in this loving couple's extensive and valuable correspondence This is a rare first hand account of the stress and hardships of a country nurse and country doctor and WWI veteran from humble origins There is also a vivid portrayal of organized nursing at its infancy in rural communities and the uncertain and difficult circumstances of establishing a country practice for practitioners of the Hippocratic Oath as opposed to their big city brethren and their transition from horse and buggy to Henry Ford's first automobiles The imagination of 21st century readers is revived with glimpses of rural life family relations and varied problems in turn of the century Texas where disease and sudden death stalked young and old as in all the frontier states of the pre WWI south western United States Along with the moving emotions expressed through its characters this correspondence is sure to awaken in readers an understanding of just how much is taken for granted today and to what extent the values of the pre depression generations have eroded

Army. and braved the immense hardships of leaving their homeland and journeying across the ocean to America for freedom of choice and worship Miles to Go Promises to Keep After much deliberation in selecting a befitting Title for my book I continued to feel a certain void in my selection as it appeared no to account for the countless miles of traversing that we had to do out in the countryside and the content that the journeying had on our lives for it gave us time to reflect most deeply on our circumstances where we had been in life where we were in life and where we were going in life and which of the promises we were going to keep in life and thus selected the subtitle Miles to Go Promises to Keep Janie's Unbelievable Journey Janie Wilkins,2011-01-18 Everyone has a dream Having taught school for fifty plus years selling World Book Encyclopedias setting up school libraries and a special chemical library I have catalogued a lot of books For many years I have wanted to write a book sharing my story Janie s Unbelievable Journey Inspirational Letters Along the Wayis Janie Wilkins s true story of life as a wife mother and educator She is a lifelong educator with a host of experiences and accomplishments Growing up in rural north Louisiana The daughter of a mail carrier Wilkins went on to attend Louisiana Tech University and was the first student in Louisiana Tech s history to graduate with certification in library science and as president of Tech s first library club Janie also graduated with a B A In English and social studies from Louisiana Tech University In her career she has touched many lives through classroom instruction in English and social studies and by setting up numerous public school libraries in Brevard County Florida In her free time she continued her investment in children by becoming one of World Book Encyclopedia s best sales representatives in the south She was presented the keys To The city of Dallas for her outstanding World Book sales as a teacher representative **Unlikely Journey** Clark Watts,2019-05-21 These stories of hope and dreams became a story of one man s life taking all that one man dare claim for himself and for those who placed their trust in him and for him to work as the alchemist who makes what was impossible possible So please settle in and read for yourself these dreams of this unlikely journey and dream The Texas Outlook ,1935 **Bulletin** ,1917
