Technology - New Generations Shahram Latifi, 2017-07-15 This volume presents a collection of peer reviewed scientific
articles from the 14th International Conference on Information Technology New Generations held at the University of
Nevada at Las Vegas on April 10 12 at Tuscany Suites Hotel in Las Vegas The Book of Chapters addresses critical areas of
information technology including web technology communications computing architectures software engineering security
and data mining Aviation Space and Environmental Medicine, 1986 **Intellectual Property in Russia** Natalia M.
Udalova, Anna S. Vlasova, 2021-07-28 Intellectual property rights are essential for a firm's competitive edge and success and
form the significant assets for many firms The authors of this book argue that intellectual property is a complex phenomenon
which inevitably requires a combination of both economic and legal considerations because the lack of understanding of the
mechanisms for the protection and preservation of IP can serve to undermine any of the potential economic benefits The
book outlines the opportunities that can be derived from the use of IP in business and also identifies the rules necessary for
their implementation It offers a comprehensive systemic research of intellectual property based on the most up to date
legislation and cases of IP use in Russia Such an approach will allow readers to fully understand the peculiarities of IP as a
special phenomenon of the Russian market There is a good balance between theoretical knowledge and practical
implementation and the plain language and unique approach to structuring information make the book accessible and easy to
understand It contains a special glossary of terms to facilitate the understanding of the material presented in the book
Although the book looks specifically at the Russian case it will have international appeal since intellectual property by its
very nature has become a transnational phenomenon Moreover the international regulatory framework provides for the
similarity of legal regulation of IP The book will find an audience among researchers concerned with the economics and law
of intellectual property as well as policymakers and practitioners involved in business IP A Casebook on Contract Andrew
Burrows, 2020-06-11 provides everything you want in a case book a stimulating thought provoking and up to date account of
contract law It combines both fantastic academic commentary and superbly selected materials making it simply one of the
best contract law casebooks Student Law Journal This is the seventh fully updated edition of Professor Burrows Casebook

offering law students the ideal way to discover and understand contract law through reading highlights from the leading cases Designed to be used either on its own or to supplement a contract law textbook this book covers the undergraduate contract law course in a series of clearly presented and carefully structured chapters The author provides an expert introduction to each topic and his succinct notes and questions seek to guide students to a proper understanding of the cases The relevant statutes are also set out along with a principled analysis of them In addition to cross references to further discussion in the leading textbooks an innovative feature is the summary of leading academic articles in each chapter The book is designed not to overwhelm students by its length but covers all aspects of the law of contract most commonly found in the undergraduate curriculum
