Concentrate Questions and Answers Tort Law Karen Dyer, Anil Balan, 2022 Concentrate Q the content is exceptional Wendy Chinenye Akaiigwe London Metropolitan University Take it online The 2nd edition is available in paperback or e book Visit www.oup.com/lawrevision for multimedia resources to help you with revision and assessment , *Proportionality and Facts in Constitutional Adjudication* Anne Carter, 2022-01-27 This book considers the relationship between proportionality and facts in constitutional adjudication Analysing where facts arise within each of the three stages of the structured proportionality test suitability necessity and balancing it considers the nature of these facts vis vis the facts that arise in the course of ordinary litigation The book's central focus is on how proportionality has been applied by courts in practice and it draws on the comparative experience of four jurisdictions across a range of legal systems The central case study of the book is Australia where the embryonic and contested nature of proportionality means it provides an illuminating

study of how facts can inform the framing of constitutional tests The rich proportionality jurisprudence from Germany Canada and South Africa is used to contextualise the approach of the High Court of Australia and to identify future directions for proportionality in Australia at a time when the doctrine is in its formative stages The book has three broad aims First it considers the role of facts within proportionality reasoning Second it offers procedural insights into fact finding in constitutional litigation Third the book's analysis of the dynamic Australian case law on proportionality means it also serves to clarify the nature and status of proportionality in Australia at a critical moment Since the 2015 decision of *McCloy v New South Wales* where four justices supported the introduction of a structured three part test of proportionality the Court has continued to disagree about the utility of such a test These developments mean that this book with its doctrinal and comparative approach is particularly timely

Arbitration Clauses in Maritime Contracts Eleni Magklasi, 2024-06-28 Arbitration clauses are sacrosanct in maritime contracts Standard forms of charterparties and bills of lading reflect a desire to trade over the trusted dispute resolution choice of arbitration However when incorporating arbitration clauses disputes and interpretational complexities continue to arise evidencing that the law is not settled yet This book introduces a holistic evaluation of the commercial reasons and the legal principles that permeate the incorporation of arbitration clauses in modern maritime contracts contrasting arbitration with exclusive jurisdiction clauses where appropriate The book presents a modern specialised legal study of incorporation of arbitration clauses into maritime contracts considering recent developments and long established principles of incorporation Offering a thorough research into English European and Chinese law with the objective to assess how the incorporation of arbitration principles crystallises through the years the book will be of interest to researchers legal practitioners and commercial parties

Unjust Enrichment James Edelman, Elise Bant, 2016-08-25 Unjust enrichment is one of the least understood of the major branches of private law This book builds on the 2006 work by the same authors which examined the developing law of unjust

enrichment in Australia The refinement of the authors thinking responding to novel issues and circumstances that have arisen in the maturing case law has required many chapters of the book to be completely rewritten The scope of the book is also much broader It concerns the principles of the law of unjust enrichment in Australia New Zealand England and Canada Major decisions of the highest courts of these jurisdictions in the last decade provide a fertile basis for examining the underlying principles and foundations of this subject The book uses the leading cases particularly in England and Australia to distil and explain the fundamental principles of this branch of private law The cases discussed are current as of 1 May 2016 although the most recent could only be included in footnotes

Defences in Unjust Enrichment Andrew Dyson,James Goudkamp,Frederick Wilmot-Smith,2016-01-14 This book is the second in a series of essay collections on defences in private law It addresses defences to liability arising in unjust enrichment The essays are written from a range of perspectives and methodologies Some are doctrinal others are theoretical and several offer comparative insights The most important defence in this area of the law change of position is addressed in detail but many other defences are treated too as well as the interrelations between these defences within the law of unjust enrichment The essays offer novel claims and ways of looking at problems in this challenging area of legal study
