

## Food Safety Manual

---

### Objectives

The University of Illinois at Chicago (UIC) takes pride in serving safe and great tasting food to its customers, visitors, and friends. Most customers do not notice the attention given to food safety. It is the intention and responsibility of our food service providers to ensure that the foods prepared and served meet the highest standards of food safety.

### Authority

To help ensure that the foods prepared and served meet safety standards, there are laws that govern food handling. This manual is designed to cover some of these practices. This means that our food vendors have set procedures on how to perform most tasks in their establishment from receiving of foods, to preparation, to the service provided to customers. Below is list of Illinois codes that food service providers must follow:

- ❖ Food Service Sanitation Code - 77 Illinois Administrative Code Section 750
- ❖ Retail Food Sanitation Code - 77 Illinois Administrative Code 760
- ❖ Food Service Sanitation Codes - 77 Illinois Administrative Code Section 750, Subpart H
- ❖ Sanitary Food Vending and Beverage Code - 77 Illinois Administrative Code Section 743
- ❖ Illinois Food, Drug and Cosmetic Act [410 ILCS 620]
- ❖ Sanitary Food Preparation Act [410 ILCS 650]
- ❖ Sanitary Food Preparation Act [410 ILCS 650/11.1]
- ❖ Food Handling Regulation Enforcement Act [410 ILCS 625]
- ❖ 89 Illinois Administrative Code Section 407, Subpart F through Subpart H

### Applicability

This policy applies to all UIC food service establishments, retail food establishments, mobile food units and food vending and beverage machines.

*Fast Food, Fast Talk* Robin Leidner,1993-08-04 Attending Hamburger University Robin Leidner observes how McDonald s trains the managers of its fast food restaurants to standardize every aspect of service and product Learning how to sell life insurance at a large midwestern firm she is coached on exactly what to say how to stand when to make eye contact and how to build up Positive Mental Attitude by chanting I feel happy I feel terrific Leidner s fascinating report from the frontlines of two major American corporations uncovers the

methods and consequences of regulating workers language looks attitudes ideas and demeanor Her study reveals the complex and often unexpected results that come with the routinization of service work Some McDonald s workers resent the constraints of prescribed uniforms and rigid scripts while others appreciate how routines simplify their jobs and give them psychological protection against unpleasant customers Combined Insurance goes further than McDonald s in attempting to standardize the workers very selves instilling in them adroit maneuvers to overcome customer resistance The routinization of service work has both poignant and preposterous consequences It tends to undermine shared understandings about individuality and social obligations sharpening the tension between the belief in personal autonomy and the domination of a powerful corporate culture Richly anecdotal and accessibly written Leidner s book charts new territory in the sociology of work With service sector work becoming increasingly important in American business her timely study is particularly welcome
