failed school reform policies of the last decade Many of the top strategies of the highly publicized school reform movement already have been tried out in St Louis with disastrous results Along with demonstrating the failure of school reform prescriptions to improve education the experience of St Louis demonstrates that the ideological premise of the reform movement that a focus on providing opportunities for private profit taking will necessarily improve schools is both wrong and conflicts with the ideals of democracy accountability and justice **Instructor** ,1978 **A Selected and Annotated Bibliography of Recent Air Age Education Textbooks (also Includes Standard Texts that Incorporate Such Materials).** United States.
