Norton 850 and 750 Commando Workshop Manual All Models from 1970 to 1975 (Part Number 06-5146) Floyd Clymer, 2021-05

172 pages and more than 140 illustrations and charts size 8.25 x 10.75 inches. Owners of Norton Commando motorcycles are subjected to considerable confusion surrounding the selection of an appropriate workshop manual from the multitude of originals and reprints that have recently flooded the on-line marketplace. Many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling. Many are nothing more than poor quality comb-bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre-owned. In addition, they are often advertised for the incorrect series and/or model years of motorcycles. The Norton Commando model range is especially subjected to incorrect identification by these bedroom sellers and you are encouraged to read the paragraph below to help identify the correct manual for your model.

During the 1968 to 1978 Commando model run, there were 4 different manuals published by the factory. The original 52-page 750cc manual, part number 06-3062, is applicable to the 1968 to 1970 models ONLY that were fitted with the external rev-counter drive and/or the Atlas style exhaust. Refer to ISBN 9781588502421. This original manual was followed by part number 06-3419 which covers the 1970 to 1973 750cc models ONLY. The next and most comprehensive manual, part number 06-5146, was published in 1973 and the 850cc data was added, making this manual applicable to the entire range of 750cc/850cc models from 1970 to 1975. Finally, with the introduction of the electric start, left-side gear change, rear disc brake, Mark 3 models in 1975, a separate manual, part number 00-4224, was published which is specific to the 1975 to 1978 MKIII 850cc series from engine no. 325001, frame no. F125001. We are pleased to offer this reproduction of the Factory Workshop Manual 06-5146 to owners of the 1970 through 1975 models and we hope that the explanation above removes any doubt regarding which manual is correct for a particular series of Norton Commando models.

Models and model years covered in this manual are: Interstate 745cc 1972, 1973, 828cc 1973, 1975; Roadster 745cc 1970, 1973, 828cc 1973, 1975; Hi-rider 745cc 1971, 1973, 828cc 1973, 1975; Interpol 745cc 1970, 1973, 828cc 1973, 1975; Fastback 745cc 1970, 1973; Fastback LR Long Range 745cc 1971, 1972; S-Type Scrambler 745cc 1970; SS-Type Street Scrambler 745cc 1970, 1971. IMPORTANT: Owners of 1968-1970 750cc Commando models are directed to our workshop manual ISBN 9781588502421 and owners of the later MKIII models would require our 1975-1978 manual ISBN 9781588502445.
