Facing Heartbreak Recovery Partners Addicts:

Behavioral Addictions Kenneth Paul Rosenberg MD, Laura Curtiss Feder PsyD, 2014-02-17 DSM V broke new ground in May of 2013 designating a new disorder called behavioral addiction. Clinicians immediately wanted to know how is a behavioral addiction different from an impulse control disorder? What are the criteria for determining that some behaviors are addictions rather than impulses? What if anything does this mean in terms of effective treatment? *Behavioral Addictions* is the first and most authoritative text ever written on the subject of behavioral addictions. This comprehensive work explains the criteria used to determine addiction, the evidence for identifying assorted behaviors as addictions, and the evidence based treatment for each. With contributions from preeminent experts covering an exhaustive list of behavioral addictions, this book is unique in its coverage of behavioral addictions, their criteria, and treatment. It is a valuable and timely resource for any clinician treating addictions. A guide to understanding the new DSM V designation of behavioral addiction. Defines the criteria for behavior to be considered an addiction designation. Discusses the evidence for behaviors meeting addiction criteria. Identifies what is now likely will be and is not a behavioral addiction per evidence. Discusses behaviors formerly considered impulse control disorders. Presents evidence based treatment for each behavioral addiction. *Healing Betrayal: First Steps for Partners and Spouses of Sex and Pornography Addicts* Mari A. Lee, LMFT, CSAT-S, 2018-05-17 *Healing Betrayal: First Steps for Partners and Spouses of Sex and Pornography Addicts* is written by psychotherapist, author, and speaker Mari A. Lee, LMFT, CSAT-S. Mari is the founder of Growth Counseling Services, a counseling and recovery center in Southern California specializing in working with sex and porn addicts and partner and spouse betrayal trauma. With over 10 years of clinical experience, Mari has written *Healing Betrayal* for the partner or spouse who has just learned that their significant other may be dealing with sex and/or porn addiction. Having had her own personal journey as a former partner, Mari knows first hand how heartbreaking and emotionally draining it is to be in relationship with a person who is sexually deceptive. *Healing Betrayal* will support the partner and spouse as a first steps guide and road map to help them navigate the difficult journey of despair that so many betrayed and hurting spouses face. **Clinical Management of Sex Addiction** Patrick J. Carnes, Kenneth M. Adams, 2019-11-28 *Clinical Management of Sex Addiction*'s newest edition updates many of the original chapters from 28 leaders in the field with new findings and treatment methods in the field of sex addiction. With a growing awareness of sex addiction as a problem, plus the advent of cybersex compulsion, professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation. This is the first book distilling the experience of the leaders in this emerging field. It additionally provides new chapters on emerging areas of interest including partner counseling, trauma, and sexual addiction and adolescent sex addiction. With a focus on special populations, the book creates a current and coherent reference for the therapist who faces quickly escalating new constellations of addictive sexual behavior. Readable, concise, and filled with useful interventions, it is a key text for professionals new to the field and a classic reference.
