Maisie's sister Doris lives with around fifty others. Nestled in a remote wooded area it found itself with a reputation because of the spooky and the unexplained things that seem to happen there. Some of it might be to do with the village's resident white witch Imelda who uses her mystical powers to do good things. Sadly for her one false move and all the good is wiped out in a single minute. In that respect at least Scraggy Bottom is just the same as everywhere else on the planet. When Maisie returns from visiting her sister with a worried expression on her face Daisy forces the truth out of her. Imelda is Doris's neighbour and she's being persecuted because one of her spells took a drastic turn for the worst. Maisie doesn't want to bother her friend but Daisy begins to suspect there's more to what's going on than meets the eye. Or the crow's foot. Or the jackdaw's wing. Book 9, Some Like it Tepid](#) R T Green, 2023-05-29. We're back in Norfolk and our intrepid R E D Retired Extremely Daisy heroine finds taking it easier doesn't come naturally. Jack takes on the last minute responsibility of rescuing a stage production of *Some Like It Hot* after it was cancelled because half the cast went down with a virus. It is to take place at the famous theatre on the end of Cromer Pier in North Norfolk. He ropes in his actor friend Will who played Jack Sparrow in *Pirates* and persuades Celia to take on the Marilyn Monroe role of Sugar Cane from the movie which she reluctantly accepts. By some miracle they make opening night which is attended by Daisy and Aidan. It's all going well but then the unexpected happens during the performance someone is murdered. Sarah in her wheelchair and Burrows are initially baffled by the motive but then things take a much darker turn. The murderer isn't finished exacting revenge. Takes several hostages and threatens to blow up the pier. It becomes the first case for the newly formed detective agency as everyone is literally in the room when it happens. For Daisy who watches the murder unfold from the audience taking a back seat on the case and clicking away with crocheting needles goes out of the window as the situation becomes more and more desperate. *Some Like It Tepid* is a Norfolk based adventure set within one of the county's famous venues. Check out the whole Daisy series and our other popular series *The Sandie Shaw Mysteries* on the new rtgreen website. Enjoy. [Daisy: Not Your Average Super-sleuth! The First Bundle](#) R T Green, 2023-11-11. It all begins with a rose bush mysteriously uprooted in the middle of the night revealing a horrific secret. If you've not met our R E D Retired Extremely Daisy heroine yet the first bundle is a great way to get to know her and the hit series. Three full books for less than the price of two. Daisy moved to a village a few miles from Kings Lynn in Norfolk a year ago after a very unfortunate incident in London made her decide village life was the best option. She's adapted to country life quite well although she rather irreverently refers to the village of Great Wiltingham as the place people go to wilt. She does have a wicked side after all. One

of the best cozy mystery series I've ever read. A real breath of fresh literary air. In the first book, after some strange goings on and a murder in the village, Daisy and Aidan, together with a young police woman called Sarah, whose curiosity gets the better of her, set about solving the mystery. It all begins with a rose bush mysteriously uprooted in the middle of the night, revealing a horrific secret. In the second book, village life has reverted to as normal as it ever gets, where Daisy is concerned. Then one morning everything changes in a very tragic way. To begin with, Daisy believes someone from her past is responsible. Before she retired, she had a job very few people have after all. Then a clue from a really unexpected source makes her wonder if it might be someone much closer to home. So once again she becomes the worm on the hook, much to Aidan and Sarah's horror. For Daisy, there's no choice because this time it's just about as personal as it gets. In the third book, following a surprise lead, their daughter might have been sold by traffickers to someone in Africa three years ago. Daisy, Aidan, and Sarah head for Uganda. But they've only been in the country a few minutes when a mysterious dying man thrusts a note into Daisy's hand. As he gasps his last breath, he begs her not to involve the police. She suddenly realises there isn't just one but two mysteries to be solved. The extra mystery deepens as three different people confess to a murder that took place many years ago. But there's a silver lining to solving a case the local police closed in the nineteen sixties because it unearths an overgrown path that just might lead them to Celia. A path that could very well end in an international incident. Read all about Daisy, Sandie, and everything else we do on the new [rtgreen](#) website. Enjoy.

[Daisy: Not Your Average Super-sleuth! The Siege of Castle Montazzini](#) R T Green, 2023-09-09. A few days' relaxation in an ancient castle on the shores of Lake Lugano in Northern Italy sounds like an opportunity not to be missed for Daisy and Aidan. Until Leonardo da Vinci, a knight in shining armour and a tale of greed and debauchery rear their ugly heads that is. Far from relaxing, our RED heroine begins to wonder if they'll even escape with their lives. One of the best cozy mysteries I've ever read. A real breath of fresh literary air. Daisy receives an out of the blue phone call from her one-time neighbour back when they lived in London. Gloria invites her and Aidan to visit their castle in the Italian Lakes for a few days' break. Married to an Italian businessman, her husband Marcello inherited the castle a few years ago when his wealthy parents passed away. Now living in the impressive sixteenth-century family residence, Gloria thought they may like to see what they've done with the place. As they travel to Italy, Daisy can't shake off the feeling all is not quite what it seems. She and Gloria have been in touch from time to time but not had that much contact since they moved away. Her ex-neighbour sounded chirpy on the phone but perhaps a little too chirpy. Daisy is well aware that sometimes people gush about how happy they are to try and hide just how happy they're not. She says nothing to Aidan, putting it down to her paranoid gut envisioning problems where none exist and forces herself to look forward to the few days abroad. They've only been in the castle a few hours when Daisy has to admit ignoring her gut feeling was the worst idea ever, realising that what motivated people centuries ago still motivates them today. It's not looking good. Read about Daisy and our other major series, The Sandie Shaw Mysteries, set in 1920s Chicago on the new [rtgreen](#) website. And enjoy.
