Failing Our Fathers:

Failing Our Fathers Ronald B. Mincy, Monique Jethwani, Serena Klempin, 2015 In *Failing our Fathers* Ron Mincy and his colleagues present a more comprehensive picture of how these men face significant obstacles and explore unintended effects of policies designed to secure financial support for their children the effectiveness of the few policies that have been designed to offer relief *Finish the Journey* Joe Florentino, 2009 Don't live through divorce by yourself because you're not alone Over 1 000 000 people divorce annually in the United States This leaves approximately 500 000 men each year searching for answers and guidance The author is a regular middle class guy who chose to do something positive with his divorce to turn tragedy into triumph Now every man can benefit from Joe's nearly two years of research his interviews with over two hundred men and his own personal experience Men are often banished by the stereotype of being insensitive womanizers Nothing could be further from the truth Men are emotional men are sensitive and men are affected by divorce in ways that are traumatic to our very heart mind and soul This book specifically details Understanding what went wrong Healthy ways to accept responsibility without beating yourself up Advice to help the children adjust while becoming a great single parent Strategies to make it through the dark days of emotional depression Re-entering the dating world in a way that best fits each individual And so much more Take the time to live and learn from your divorce so you can embrace the far better life that awaits you Testosterone Rebecca M. Jordan-Young, Katrina Karkazis, 2019-10-15 An Independent Publisher Book Awards Gold Medal Winner A Progressive Book of the Year A TechCrunch Favorite Read of the Year Deeply researched and thoughtful Nature An extended exercise in myth busting Outside A critique of both popular and scientific understandings of the hormone and how they have been used to explain or even defend inequalities of power The Observer Testosterone is a familiar villain a ready culprit for everything from stock market crashes to the overrepresentation of men in prisons But your testosterone level doesn't actually predict your appetite for risk sex drive or athletic prowess It isn't the biological essence of manliness in fact it isn't even a male sex hormone So what is it and how did we come to endow it with such superhuman powers T's story begins when scientists first went looking for the chemical essence of masculinity Over time it provided a handy rationale for countless behaviors from the boorish to the enviable Testosterone focuses on what T does in six domains reproduction aggression risk taking power sports and parenting addressing heated debates like whether high testosterone athletes have a natural advantage as well as disagreements over what it means to be a man or woman This subtle important book forces rethinking not just about one particular hormone but about the way the scientific process is embedded in social context Robert M Sapolsky author of *Behave* A beautifully written and important book The authors present strong and persuasive arguments that demythologize and defetishize T as a molecule containing quasi magical properties or as exclusively related to masculinity and males Los Angeles Review of Books Provides fruitful ground for understanding what it means to be human not as isolated physical bodies but as dynamic social beings Science My Brothers' Footsteps Gloria

Marshall,2014-08-27 My Brothers Footsteps will take you back one hundred years in Canadas history Young men and women answered the call boarded ships and sailed to the battlefield in Europe The unspeakable horrors of war awaited them as they fought bravely for their king and country My Brothers Footsteps take you into the rat infested trenches the battlefield riddled with shell holes and the pain and suffering of the wounded Many never returned home and those that did were broken in body and spirit This was a time of fierce loyalty and pride The Great War forged a nation but it came with tremendous sacrifice This is a must read for every Canadian whether young or old

It's a Setup Timothy Black, Sky Keyes, 2021 The expectation for fathers to be more involved with parenting their children and pitching in at home are higher than ever yet broad social political and economic changes have made it more difficult for low income men to be fathers In It s a Setup Timothy Black and Sky Keyes ground a moving and intimate narrative in the political and economic circumstances that shape the lives of low income fathers Based on 138 life history interviews they expose the contradiction that while the norms and expectations of father involvement have changed rapidly within a generation labor force and state support for fathering on the margins has deteriorated Tracking these life histories they move us through the lived experiences of job precarity welfare cuts punitive child support courts public housing neglect and the criminalization of poverty to demonstrate that without transformative systemic change individual determination is not enough Fathers on the social and economic margins are setup to fail

The Old Paths William James Selby, 1869 *Men and Welfare* Anna Tarrant, Linzi Ladlow, Laura Way, 2022-12-30 This book explores the complex evolving relationships between men masculinities and social welfare in contemporary context It is inspired by themes examined in Men Gender Divisions and Welfare an edited collection published in 1998 by Popay Hearn and Edwards While international policy agendas reflect a growing commitment to critically addressing the relations between men masculinities and policy in policy and popular discussions societies continue to grapple with the question of what to do with men This question reflects an ongoing tension between the persistence of men s power and control over welfare and policy development alongside their ostensible avoidance of welfare services The collection constitutes an up to date account of the gendered and social implications of policy and practice change for men and their inherent contradictions and complexities tracing both stability and change over the past 25 years This book will appeal to students and scholars in diverse fields particularly in sociology social policy applied social sciences gerontology gender studies youth studies welfare studies politics and social geography Given the volume s empirical attention throughout to both policies and practice developments it will also be of interest to those training in applied and vocational degrees such as health and social care social work family support and health visiting

COMPROMISE: PERVERTING THE WORD OF GOD MESHACK KWESI AGOGOE, 2011-01-14 This book is designed to address the twists of the gospel of truth in our churches among ministers in our marriages and every man born out of a woman who has breath within him The intent of this book is to encourage edify and to awaken us from our sleep and to put us back on our toes thus helping us to foster a good rapport to live and walk in

harmony with God through his beloved Son Jesus Christ Though we are saved by grace through faith even so we have a duty to fear and to obey the precepts of God Ecclesiastes 12 13 to guide us to live and walk godly life while we await the Second Coming of Jesus *Shouting* G.W.
