Faith And Family Values Report

United States. Supreme Court

Faith And Family Values Report:

Official Reports of the Supreme Court United States. Supreme Court,1994 **Hearings, Reports and Prints of the Senate Committee on Human Resources** United States. Congress. Senate. Committee on Human Resources,1978

Family Values Melinda Cooper,2017-02-01 Why was the discourse of family values so pivotal to the conservative and free market revolution of the 1980s and why has it continued to exert such a profound influence on American political life Why have free market neoliberals so often made common cause with social conservatives on the question of family despite their differences on all other issues In this book Melinda Cooper challenges the idea that neoliberalism privileges atomized individualism over familial solidarities and contractual freedom over inherited status Delving into the history of the American poor laws she shows how the liberal ethos of personal responsibility was always undergirded by a wider imperative of family responsibility and how this investment in kinship obligations recurrently facilitated the working relationship between free market liberals and social conservatives Neoliberalism she argues must be understood as an effort to revive and extend the poor law tradition in the contemporary idiom of household debt As neoliberal policymakers imposed cuts to health education and welfare budgets they simultaneously identified the family as a wholesale alternative to the twentieth century welfare state And as the responsibility for deficit spending shifted from the state to the household the private debt obligations of family were defined as foundational to socio economic order Despite their differences neoliberals and social conservatives were in agreement that the bonds of family needed to be encouraged and at the limit enforced as a necessary counterpart to market freedom In a series of case studies ranging from Clinton s welfare reform to the AIDS epidemic and from same sex marriage to the student loan crisis Cooper explores the key policy contributions made by neoliberal economists and legal theorists Only by restoring the question of family to its central place in the neoliberal project she argues can we make sense of the defining political alliance of our times that between free market economics and social conservatism **Family, Sex, and Faith** Pål Kolstø,2025-01-15 Family Sex and Faith is the first systematic examination of what the Russian Orthodox Church ROC teaches and how believers respond to its messages regarding issues such as marriage divorce contraception abortion husband wife relations and LGBTQIA rights According to P l Kolst for the ROC the ethics of private life involve what Michel Foucault called biopolitics the state regulates the sex lives of its citizens to control the development of the population Family Sex and Faith offers a systematic analysis of aspects of the moral theology of the ROC discussing the means and strategies it employs to achieve its goals to counter resistance and to emerge victorious from the battles in which it is embroiled Although the constitution defines Russia as a secular state the ROC has achieved a privileged position in society functioning as a major provider of ideology and legitimacy for the Putin regime **Globalizing Family Values** Doris Buss,2003 With little fanfare and profound effect family values have gone global and the influence of the Christian Right is increasingly felt internationally This is the first comprehensive study of the Christian Right s global reach and its impact on

international law and politics Doris Buss and Didi Herman explore tensions contradictions victories and defeats for the Christian Right s global project particularly in the United Nations The authors consult Christian Right materials from pamphlets to novels conduct interviews with people in the movement and provide a firsthand account of the World Congress of Families II in 1999 a key event in formulating Christian Right global policy and strategy The result is a detailed look at a new global player its campaigns against women s rights population policy and gay and lesbian rights its efforts to build an alliance of orthodox faiths with non Christians and the tensions and strains as it seeks to negotiate a role for conservative Christianity in a changing global order

Family Values Isabel Heinemann, 2023-10-04 Clashes over the American family and its values have always implicitly or explicitly addressed issues of gender and highlighted the significance of present and future families to American society This is the insight underpinning Isabel Heinemann s groundbreaking study which traces over the course of the twentieth century debates on the family and its role the relationship between the individual and society and individual decision making rights as well as their denial or curtailment Unpacking these issues in a vivid and innovative analysis the book recounts the prehistory of current conflicts over the family and gender while illuminating the relationship between social change normative shifts and the counter movements spawned in response to them

United States Reports United States. Supreme Court, John Chandler Bancroft Davis, Henry Putzel, Henry C. Lind, Frank D. Wagner, 1998

Religious Actors and International Law Ioana Cismas, 2014-07-17 This book assesses whether a new category of religious actors has been constructed within international law Religious actors through their interpretations of the religion s they are associated with uphold and promote or indeed may transform potentially oppressive structures or discriminatory patterns This study moves beyond the concern that religious texts and practices may be incompatible with international law to provide an innovative analysis of how religious actors themselves are accountable under international law for the interpretations they choose to put forward The book defines religious actors as comprising religious states international organizations and non state entities that assume the role of interpreting religion and so claim a special legitimacy anchored in tradition or charisma Cutting across the state non state divide this definition allows the full remit of religious bodies to be investigated It analyses the crucial question of whether religious actors do in fact operate under different international legal norms to non religious states international organizations or companies To that end the Holy See Vatican the Organization of Islamic Cooperation and churches and religious organizations under the European Convention on Human Rights regime are examined in detail as case studies The study ultimately establishes that religious actors cannot be seen to form an autonomous legal category under international law they do not enjoy special or exclusive rights nor incur lesser obligations when compared to their respective non religious peers Going forward it concludes that a process of two sided legitimation may be at stake religious actors will need to provide evidence for the legality of their religious interpretations to strengthen their legitimacy and international law itself may benefit from religious actors fostering its legitimacy in different cultural contexts

Family

Involvement in Faith-Based Schools Diana Hiatt-Michael, 2017-06-01 An essential read for all school principals and persons engaged in educational policy Parental interest in faith based schooling for children has surged and the contents of this book reveal the reasons for this surge This book provides insights to school choice support for faith based schooling and opening doors for increased parent involvement in schools Authors focus on promising practices that these schools utilize to engage parents in the daily life of school and the effects of such practices on the educational life of the school Their work cover Catholic Jewish Christian and Muslim schools within the U S and internationally In addition chapters suggest ways to market schools and promote social justice in faith based schools *International Handbook of Learning, Teaching and Leading in Faith-Based Schools* Judith D. Chapman, Sue McNamara, Michael J. Reiss, Yusef Waghid, 2014-07-10 The International Handbook on Learning Teaching and Leading in Faith Based Schools is international in scope It is addressed to policy makers academics education professionals and members of the wider community The book is divided into three sections 1 The Educational Historical Social and Cultural Context which aims to Identify the educational historical social and cultural bases and contexts for the development of learning teaching and leadership in faith based schools across a range of international settings Consider the current trends issues and controversies facing the provision and nature of education in faith based schools Examine the challenges faced by faith based schools and their role and responses to current debates concerning science and religion in society and its institutions 2 The Nature Aims and Values of Education in Faith based Schools which aims to Identify and explore the distinctive philosophies characteristics and guiding principles values concepts and concerns underpinning learning teaching and leadership in faith based schools Identify and explore ways in which such distinctive philosophies of education challenge and expand different norms and conventions in their surrounding societies and cultures Examine and explore some of the ways in which different conceptions within and among different religious and faith traditions guide practices in learning teaching and leadership in various ways 3 Current Practice and Future Possibilities which aims to Provide evidence of current educational practices that might help to inform and shape innovative and successful policies initiatives and strategies for the development of quality learning teaching and leadership in faith based schools Examine the ways in which the professional learning of teachers and educational leaders in faith based settings might be articulated and developed Consider the ways in which coherence and alignment might be achieved between key national priorities in education and the identity beliefs and the commitments of faith based schools Examine what international experience shows about the place of faith based schools in culturally rich and diverse communities and the implications of faith based schooling for societies of the future **Family Values and the Rise of the Christian Right** Seth Dowland, 2015-12-17 Family Values and the Rise of the Christian Right chronicles how the family values agenda became so powerful in American political life and why it appealed to conservative evangelical Christians **Faith Traditions and the Family** Phyllis D. Airhart, Margaret Lamberts Bendroth, 1996-01-01 This exploration offers readers fresh and broad

ranges of ways to evaluate their own religious traditions when dealing with issues related to the future of the family *Faith and Money* Lisa A. Keister, 2011-09-05 For those who own it wealth can have extraordinary advantages High levels of wealth can enhance educational attainment create occupational opportunities generate social influence and provide a buffer against financial emergencies Even a small amount of savings can improve security mitigate the effects of job loss and other financial setbacks and improve well being dramatically Although the benefits of wealth are significant they are not enjoyed uniformly throughout the United States In the United States because religion is an important part of cultural orientation religious beliefs should affect material well being This book explores the way religious orientations and beliefs affect Americans incomes savings and net worth *Report* United States. Congress. Senate, 1998 *Family Transformed* Steven M. Tipton, John Witte Jr., 2005-11-18 Statistics on the American family are sobering From 1975 to 2000 one third of all children were born to single mothers and one half of all marriages ended in divorce While children from broken homes are two to three times more likely to develop behavioral and learning difficulties two parent families are not immune to problems The cost of raising children has increased dramatically and married couples with children are now twice as likely as childless couples to file for bankruptcy Clearly the American family is in trouble But how this trouble started and what should be done about it remain hotly contested In a multifaceted analysis of the current state of a complex institution *Family Transformed* brings together outstanding scholars from the fields of anthropology demography ethics history law philosophy primatology psychology sociology and theology Demonstrating that the family is both distinctive in its own right and deeply interwoven with other institutions the authors examine the roles of education work leisure consumption legal regulation public administration and biology in shaping the ways we court and marry bear and raise children and make and break family bonds International in approach this wide ranging volume situates current American debates over sex marriage and family within a global framework Weighing mounting social science evidence that supports a continued need for the nuclear family while assessing the challenges posed by new advocacy for same sex marriage and delegalized coupling the authors argue that only by reintegrating the family into a just moral order of the larger community and society can we genuinely strengthen it This means not simply upholding traditional family values but truly grasping the family's growing diversity sustaining its coherence and protecting its fragility for our own sake and for the common good of society **The Impact of Faith in Daily Life** Gentian Jetishi, 2025-08-17 *The Impact of Faith in Daily Life* is an inspiring and practical journey into how faith can shape every aspect of our lives from personal character and family relationships to work social justice mental health and environmental care This book is part of the *Living Islam The Faith That Shapes Civilization* series a comprehensive project blending the timeless wisdom of divine revelation with the challenges and opportunities of modern life Written by Gentian Jetishi an author and educator with years of experience in Islamic philosophy ethics and spiritual development the book offers a rich blend of eternal principles and real life applications Through stories from the life of Prophet Muhammad Qur

anic verses and relatable human experiences readers will learn how to Strengthen moral character and personal ethics Find spiritual peace and resilience in times of hardship Build healthy family and community relationships Inspire justice compassion and social solidarity Balance spiritual physical and mental well being Cultivate hope gratitude and perseverance Who is this book for Sincere seekers of life s meaning and purpose Students of knowledge and ethics educators Muslims and non Muslims who want to understand the real life role of faith Why read this book Because it s not just a theoretical reflection on religion it s a practical guide that challenges you to live your faith every day in every decision and action In a fast paced and often uncertain world this book offers a moral and spiritual compass that brings clarity hope and balance If you re ready to discover how faith can move from being a concept to becoming a living force that shapes your life this book is your next step on the journey **Living Into Hope** Rev. Joan Brown Campbell,2010 Inspires and challenges us to live life fully not carefully or cautiously but wholly engaged with the world and with the messiness of humanity and dares us to claim our freedom to care to risk and to step out into the unknown and live as people of hope **Families and Faith** Vern L. Bengtson,2017-06 In Families and Faith Vern Bengtson examines how religion is or is not passed down from one generation to the next Armed with unprecedented data collected over more than four decades from more than 2400 individuals Bengtson offers remarkable insight into American religion over the course of several decades **Family, Freedom, and Faith** Paula M. Cooley,1996-01-01 Building Community Today **Homosexuality and Christian Faith** Walter Wink,1998-12-01 Ideal for individual or group use this unique resource presents short pieces from some of the nation s most preeminent church leaders women and men Protestant and Catholic mainline and evangelical who address fundamental moral imperatives about homosexuality Through personal testimony factual clarification and moral suasion they invite the reader to open his or her heart to the Spirit to Gospel values and to full acceptance of gay and lesbian persons in the family of God
