These figures are provided to assist you in comparing the fuel consumption of Laser with other vehicles designed to run on unleaded petrol. As at present, all of the fuel consumption figures have been derived by using the selected procedure. The actual fuel consumption you achieve will depend on many factors including your driving style, the prevailing conditions and your vehicle's equipment, condition and use. These figures were derived using a standard test procedure for passenger vehicles which operates on unleaded petrol, and which are designed to comply with Australian test rule 23.

Optional Equipment at extra cost. Registered. All cars are new.
