The Great Gatsby, 1925 *THE GREAT GATSBY* F. SCOTT FITZGERALD, 1925 Make Something Good Today Erin Napier, Ben Napier, 2018-10-02 From Ben and Erin Napier the stars of the hit HGTV show *Home Town* comes *Make Something Good Today* a memoir that tells us all to seek out the good in life celebrate the beauty of family and friends and prosper within our communities because everything we need in life to be happy is within our grasp Long before their hugely popular TV show an expanding family or demolition day on their dream home Erin began keeping a daily online journal to help her stay focused on the positive and count her blessings in life She never expected that her depictions of small town life in the tiny swath of Mississippi where she Ben call home would catch the eye of a television producer and set them off on the journey of a lifetime *Make Something Good Today* offers a behind the scenes glimpse into the struggles and triumphs of a couple that America has come to know and love for their easy humor adoring relationship and ability to utterly transform a place into something beautiful and personal This is the poignant story of how Erin and Ben took a small tight knit town into their own hands literally and used ingenuity community and authenticity to rebuild a once thriving American Main Street And how by combining Ben s carpentry skills with Erin s design eye *Home Town* is making it clear to us all that small town living can feel as big as you make it Complete with family photographs Erin s hand painted sketches and never before heard personal stories this inspirational memoir reminds us all not to give up hope that great love stories are possible big things can bloom in small towns and there is always magic in the ordinary if you know where to look for it The Great Gatsby Francis Scott Fitzgerald, 1925 Follows the adventures of Jay Gatsby as he tries to win back the woman he loved and lost

Ritual Unbound Thomas Cousineau, 2004 This study explores the vestiges of primitive sacrificial rituals that emerge in a group of canonical modernist novels including *The Turn of the Screw* *Heart of Darkness* *The Good Soldier* *The Great Gatsby* and *To the Lighthouse* It argues that these novels reenact a process that achieved its seminal expression in the Genesis story of *The Binding of Isaac* in which Abraham having been prevented from sacrificing Isaac offers up a ram in his place Modernist reenactments of this pattern present narrators who although vigorously protesting the victimization of certain characters unflinchingly seize upon others as their surrogates Each novel is designed in such a way however as to resist the reconstruction of a sacrificial ritual to which its narrator is prone The resulting tension between the binding and unbinding of ritual persecution dramatizes the paradox that we can neither believe convincingly in the guilt of our scapegoats nor imagine a society that has dispensed with them entirely Thomas Cousineau is Professor of English at Washington College in Maryland
