Notes on the Greek Text of Exodus John William Wevers, 2019-04-09 A result of John Wevers s twenty five year association with the Gttingen LXX this work records his textual notes on the Greek Exodus The Greek text of Exodus departs in places radically from the Hebrew of the Masoretic tradition These Notes presuppose that the Hebrew parent text was not all that different from the Masoretic tradition text and that the Greek translator throughout tried to formulate an understanding of the Hebrew from an Alexandrian Jewish perspective Included in the Notes are assessments of major textual variants by later readers This volume is intended for serious students interested in using the LXX text rather than for the professional LXX scholar
