The Certified Diver's Handbook is the only guide to help them create their own diving adventures on any budget on any schedule in waters local or distant and without the restrictions of group demands. Thirty-year diving veteran and photojournalist Clay Coleman provides the insider's tips and how to advise divers need to equip, plan and execute their own diving expeditions. Divers will learn how to buy or rent the best SCUBA equipment at the best prices. Plan dives to maximize enjoyment and safety. Find great diving sites close to home. Master underwater rescue procedures and shore and night diving techniques. And after the diving, the ever-evolving geography never fails to bring even more eye-popping photo ops. Authors David Fleetham, a Maui resident, and Guam resident Tim Rock have spent hours photographing marine mammals and unique endemics in the island's clear waters. In its isolation, Hawaii offers some special adventures on the coral reefs in the submerged lava tubes and at an offshore crater. In this guide, they suggest some great dives and wonderful spots for underwater photography around the reefs of the Aloha State. 72 diving and snorkeling sites, over 120 color images, handy travel size. 96 pages. **The Rough Guide to Hawaii** Rough Guides, 2011-01-20 The Rough Guide to Hawaii is the essential travel guide to this breathtaking archipelago.
