

Reclaiming Late

An illustration of a winter night scene. In the foreground, two people are sitting on a wooden bench. The person on the left has short blonde hair, wears a brown jacket, a green scarf, and tan boots, and is looking down at their hands. The person on the right has long red hair, wears a dark green jacket, blue pants, and tan boots, and is also looking down at their hands. They appear to be holding small objects, possibly snow globes or small figurines. In the background, there is a frozen pond with several people skating. Beyond the pond is a row of small, warm-colored houses. The sky is dark blue with many small white stars and larger, stylized starburst lights. Two black lampposts are visible on either side of the bench.
