The Ballad of Roy Benavidez William Sturkey, 2024-06-11 The dramatic life of Vietnam War hero Roy Benavidez revealing how Hispanic Americans have long shaped US history from a major new voice with lyrical powers as a biographer David W Blight Pulitzer Prize winning author of Frederick Douglass In May 1968 while serving in Vietnam Master Sergeant Roy Benavidez led the rescue of a reconnaissance team surrounded by hundreds of enemy soldiers He saved the lives of at least eight of his comrades that day in a remarkable act of valor that left him permanently disabled Awarded the Medal of Honor after a yearslong campaign Benavidez became a highly sought after public speaker a living symbol of military heroism and one of the country s most prominent Latinos Now historian William Sturkey tells Benavidez s life story in full for the first time Growing up in Jim Crow era Texas Benavidez was scorned as Mexican despite his family s deep roots in the state He escaped poverty by enlisting in a desegregating military and was first deployed amid the global upheavals of the 1950s Even after receiving the Medal of Honor Benavidez was forced to fight for disability benefits amid Reagan era cutbacks An unwavering patriot alternately celebrated and snubbed by the country he loved Benavidez embodied many of the contradictions inherent in twentieth century Latino life The Ballad of Roy Benavidez places that experience firmly at the heart of the American story

A History of Occupational Health and Safety Michelle Follette Turk, 2018-05-15 The United States has a long and unfortunate history of exposing employees the public and the environment to dangerous work But in April 2009 the spotlight was on Las Vegas when the Pulitzer committee awarded its public service prize to the Las Vegas Sun for its coverage of the high fatalities on Las Vegas Strip construction sites The newspaper attributed failures in safety policy

to the recent exponential growth in the Las Vegas market In fact since Las Vegas founding in 1905 rapid development has always strained occupational health and safety standards A History of Occupational Health and Safety examines the work hazards and health and safety programs from the early building of the railroad through the construction of the Hoover Dam chemical manufacturing during World War II nuclear testing and dense megaresort construction on the Las Vegas Strip In doing so this comprehensive chronicle reveals the long and unfortunate history of exposing workers residents tourists and the environment to dangerous work all while exposing the present and future to crises in the region Complex interactions and beliefs among the actors involved are emphasized as well as how the medical community interpreted and responded to the risks posed Few places in the United States contain this mixture of industrial and postindustrial sites the Las Vegas area offers unique opportunities to evaluate American occupational health during the twentieth century and reminds us all about the relevancy of protecting our workers

Britain, France and the Decolonization of Africa Andrew W.M. Smith, Chris Jeppesen, 2017-03-01 Looking at decolonization in the conditional tense this volume teases out the complex and uncertain ends of British and French empire in Africa during the period of late colonial shift after 1945 Rather than view decolonization as an inevitable process the contributors together explore the crucial historical moments in which change was negotiated compromises were made and debates were staged Three core themes guide the analysis development contingency and entanglement The chapters consider the ways in which decolonization was governed and moderated by concerns about development and profit A complementary focus on contingency allows deeper consideration of how colonial powers planned for colonial futures and how divergent voices greeted the end of empire Thinking about entanglements likewise stresses both the connections that existed between the British and French empires in Africa and those that endured beyond the formal transfer of power
