"The Story of the Beginning" - an Alternate Biblical History Richard Hayes, 2017-03-24 This story is about the story of the beginning the story of creation as reinterpreted in the Biblical books of Genesis and Revelation of the King James Bible It is a story of the impact of a comet and the destruction of the Earth followed by the creation of all life by LORD God Elomiym and His 144 000 angels which He then places into the Garden of Eden This is followed by the creation of man the fall of man and the story of the children of man and the children of God up to and including the story of Noah

Scenography and Art History Astrid Von Rosen, Viveka Kjellmer, 2021-05-20 Scenography and Art History reimagines scenography as a critical concept for art history and is the first book to demonstrate the importance and usefulness of this concept for art historians and scholars in related fields It provides a vital evaluation of the contemporary importance of

scenography as a critical tool for art historians and scholars from related branches of study addressing phenomena such as witchy designs Early Modern festival books live rock performances digital fashion photography and outdoor dance interventions With its nuanced and detailed case studies this book is an innovative contribution to ongoing debates within art history and visual studies concerning multisensory events It extends the existing literature by demonstrating the importance of a reimagined scenography concept for comprehending historical and contemporary art histories and visual cultures more broadly The book contends that scenography is no longer restricted to the traditional space of the theatre but has become an important concept for approaching art historical and contemporary objects and events It explores scenography not solely as a critical approach and theoretical concept but also as an important practice linked with unrecognized labour and broader political social and gendered issues in a great variety of contexts such as festive culture sacred settings fashion film or performing arts Designed as a key resource for students teachers and researchers in art history visual studies and related subjects the book through its cross disciplinary frame does consider implicitly and explicitly the roles of both scenography and art in society
