The Post-Nup Solution Tom Gardiner, 2017-09-01 Having trouble in your marriage This book is for you Tom Gardiner a Chicago lawyer explains how post nuptial agreements can address marital problems effectively Unlike counseling that often is no more than a temporary fix this book talks about agreements that will result in long term change If your spouse drinks too much for instance you both agree in a legally binding document about the changes that need to occur and the consequences if they don't There is another huge advantage to post nups If the behavior is not changed and divorce is triggered the terms were set when the parties were both seeking to save the marriage not when they're going through an acrimonious break up These terms are usually reasonable and fair who gets the kids and when a fair amount of alimony for a fair term division of the property all because the spouses are seeking a solution at the time This book covers the human frailties that can cause problems in a marriage financial problems drinking drug use

cheating blended families in law problems inheritance religious issues and so on It is a book not just for couples but for therapists religious leaders and others who seek to make marriages stronger and divorces civilized and fair
