**The Imperfect and Unfinished Math Teacher [Grades K-12]** Chase Orton, 2022-02-24

The system won't do it for us But we have each other In *The Imperfect and Unfinished Math Teacher: A Journey to Reclaim Our Professional Growth* master storyteller Chase Orton offers a vulnerable and courageous grassroots guide that leads K-12 math teachers through a journey to cultivate a more equitable inclusive and cohesive culture of professionalism for themselves what he calls professional flourishing The book builds from two bold premises First that as educators we are all naturally imperfect and unfinished and growth should be our constant goal Second that the last 40 years of top-down PD efforts in mathematics have rarely supplied teachers with what they need to equitably grow their practice and foster classrooms that are likewise empowered inclusive and cohesive With gentle humanity this book inspires teachers to break down silos observe each other's classrooms interrogate their own biases and put students at the center of everything they do in the math classroom This book weaves raw and authentic stories both personal and those from other educators into a relatable and validating narrative Offers interactive opportunities to self-reflect build relationships seek new vantage on our teaching by observing others' classrooms and students and share and listen to others' stories and experiences Asks teachers to give and accept grace as they work collaboratively to better themselves and the system from within so that they can truly serve each of their students authentically and equitably Implementing the beliefs and actions in this book will position teachers to become more active partners in each other's professional growth so that they can navigate the obstacles in their professional landscape with renewed focus and a greater sense of individual and collective efficacy It equips teachers and by extension their students to chart their own course and author their own equitable and joyful mathematical and professional stories

*BOOK OF SAMPLES* Demetrius Cudjoe, 2013-12 *THE BOOK OF SAMPLES* is just that a variety of poetry of my favorite collections over the past 38 years In this book you will read poems of love history Everyday life Humorous Eerie and Christian poems As well as my very first poems Some are strictly my imagination some are very true I'll let you figure out which ones are real and which ones are not Each poem tells a story that's my style a story inside of every poem You will read

about The Round House my first Eerie poem I ll tell you about the horrible things that happened there one night in a little town in Oklahoma You will read about an old building that was Boarded Up for so many years until someone entered and unleashed the horror that was locked up inside And I must talk about the God all mighty with some of my Christian poems And some history about Dr Martian Luther King you will get a chance to learn all about his life A poem called Family a story about a family back in the 1800 s something happened so amazing that takes a great number of years to unfold and all the cards had to fall in the right place You will read about one of the characters in the book that had an experience with a semi Truck that will just make you gasp when you read what happened Or my sports poems about this young man that was sent to prison who claims to be innocent he became a boxer while in prison and you won t believe what happened to him And of course my favorites Chandler Baseball camp and the last and longest poem that I wrote Barn Wood And many other poems that I enjoyed writing
