Breaking the STEM Stereotype Amanda Alzena Sullivan, 2019-10-21 Men continue to outnumber women in numerous technical STEM Science Technology Engineering and Math fields such as engineering and

computer science Prior work demonstrates the importance of introducing girls to STEM content early on before gender stereotypes are ingrained However many parents and teachers are not sure how to do this in a developmentally appropriate and playful way Breaking the STEM Stereotype Reaching Girls in Childhood by Dr Amanda Sullivan Ph D explores the various social cultural and psychological reasons behind the persistent gender disparity between men and women in STEM fields By explaining the powerful role of stereotypes the media and experiences with peers and adults during the foundational early childhood years this book builds the case of early childhood being a critical time in development to reach girls Breaking the STEM Stereotype is set up in three parts Part 1 provides the current state of the gender divide in each aspect of STEM and explores why early childhood is a critical time to address this divide Part 2 explores gender identity development and gender stereotypes as well as the influences of the media advertising and adult and peer role models on young children Finally Part 3 arms readers with the knowledge they need to dispel gender stereotypes in STEM It provides suggestions on tools technologies and kits that can be used with young girls beginning in pre kindergarten It provides materials needed to design effective curricula and activities to engage girls with STEM in playful ways that build on their personal interests

The Making of Twenty-First-Century Richmond Thad Williamson, Julian M. Hayter, Amy L. Howard, 2024-12-02 Richmond Virginia took center stage globally in the summer of 2020 as an epicenter of antiracist protests in the wake of the police murder of George Floyd In a period of just a few weeks overwhelming public support grew for removing Richmond's Confederate monuments Activists then transformed the remaining statue of Robert E Lee into a shrine to African American resolve to the Black Lives Matter movement and to Black victims of police brutality Coming to terms with Richmond's tortured racial history however is much more difficult than toppling symbols of white supremacy This book explores these dynamics via a multidisciplinary framework of historical research public policy analysis and political analysis showing the inner dynamics of politics and governance in Richmond The authors reveal why change and progress has often been so difficult to achieve and why that matters with a focus on three fundamental policy areas education economic development and housing The result is a comprehensive assessment of urban governance in a major southern city in the early twenty first century as well as an accounting of the policy and human consequences of both its limited successes and its recurring failures

United States Code United States, 2013 The United States Code is the official codification of the general and permanent laws of the United States of America The Code was first published in 1926 and a new edition of the code has been published every six years since 1934 The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress Second Session the last of which was signed by the President on January 15 2013 It does not include laws of the One Hundred Thirteenth Congress First Session enacted between January 2 2013 the date it convened and January 15 2013 By statutory authority this edition may be cited U S C 2012 ed As adopted in 1926 the Code established prima facie the general and permanent laws of the United States The underlying statutes reprinted in the Code remained in effect and controlled over the

Code in case of any discrepancy In 1947 Congress began enacting individual titles of the Code into positive law When a title is enacted into positive law the underlying statutes are repealed and the title then becomes legal evidence of the law Currently 26 of the 51 titles in the Code have been so enacted These are identified in the table of titles near the beginning of each volume The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U S C 285b to enact the remainder of the Code on a title by title basis into positive law The 2012 edition of the Code was prepared and published under the supervision of Ralph V Seep Law Revision Counsel Grateful acknowledgment is made of the contributions by all who helped in this work particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office Preface
