Domesticity, Imperialism, and Emigration in the Victorian Novel Diana C. Archibald, 2002 *The Academy and Literature* ,1904 The Spectator ,1894 **Harper's Bazaar** ,1927 *The Sphere* ,1909 **Metropolitan Magazine** ,1911 The Alpha Mom Samantha Sambun-Karasu, 2021-11-29 The Alpha Mom is not your typical self help book There are no motivational platitudes cute business parables or rah rah quotes here It won t tell you that your life turned out from conditions outside your control It won t coat you in a comfort shell like a useless chrysalis that stops you from flapping your wings Or attempt to slap good sense with Facebook memes to tell you you re as tough as nails In short I won t reinforce the mental bullshit that keeps us trapped with pity parties telling us how unlucky or unfair life had been to us My goal is to help

you break through that chrysalis towards real empowerment To change your perspectives To make you think and help attain the results YOU want To awaken from the slumber of helplessness To rise above a culture of mediocrity So The Alpha Mom is written just for you Maybe only you Truth is often uncomfortable But it exists to shatter comfort zones to help us achieve our purpose Through a get off your butt and start doing it approach to help women and mothers achieve real happiness fulfillment and contentment For starts women need to break three of the most common lies we tell ourselves First that happiness has to do with material excesses Second that beauty and sex appeal declines with age And third that women must live in accordance to societal codes and standards A little warning though This book can make you better but first it may piss you off Some of my posts may appear cynical caustic or controversial but that s only because it will challenge confront and contradict you own beliefs Check out some of the truths exposed in The Alpha Mom Being physically attractive and sexy increases with age not decreases Making a mistake in a relationship doesn t necessarily imply impropriety There s no such thing as an inability to exercise Being independent does not affect your role as a wife and or mother Compulsion to societal expectation is never forced but is a choice Pretty cool huh So pick it up and I ll see ya between the covers
