Question Authority Mark Kingwell, 2024-11-05 Philosopher Mark Kingwell thinks about thinking for

yourself in an era of radical know it allism Question authority the popular 1960s slogan commanded Think for yourself But what started as a counter cultural catchphrase playful in logic but serious in intent has become a practical paradox Yesterday s social critics are the tone policing tyrants of today while those who claim colourblindness see no need to engage with critical theory at all The resulting crisis of authority made worse by rival political factions and chaotic public discourse has exposed cracks in every facet of shared social life Politics academia journalism medicine religion science every kind of institutional claim is now routinely subject to objection investigation and outright disbelief A recurring feature of this comprehensive distrust of authority is the firm often unshakeable belief in personal righteousness and superiority what Mark Kingwell calls our addiction to conviction In this critical survey of the predicament of contemporary authority Kingwell draws on philosophical argument personal reflection and details from the headlines in an attempt to reclaim the democratic spirit of questioning authority and thinking for oneself Defending a program of compassionate skepticism Question Authority is a fascinating survey of the role of individual humility in public life and illuminates how we might each do our part in the infinite project of justice
