

The journey into  
self-love and  
self-acceptance must  
begin with  
self-examination. ... until  
you take the journey of  
self-reflection, it is  
almost impossible to  
grow or learn in life.

Leviton,2011-07 The Journey into Self offers a guide for today s polarized world a world that is caught up in all the power struggles that separate and divide us By teaching the use of guided imagery with its instant access to the subconscious we can uncover false belief systems unfinished business from the past and the real reasons for this polarization in our personal lives From discovering the true issues of one s life to a final resolution of making peace with personal pain The Journey into Self will provide direction in a simple and straightforward manner With both direction and effective communication skills you will experience a new and gentler approach to breaking down defenses knowing and expressing your own truth and facilitating change in others by changing the way you live your own life Help yourself and others heal by using imagery to explore unfinished issues from deep within the unconscious This is a handbook for creating and using the powerful and mystical techniques of guided imagery to heal both physical and emotional issues The Journey into Self offers the path to living a balanced life of gentleness love tolerance and understanding a world that values differences *May to May - My Journey to Self-love with God* Reabetswe Moabi,2024-08-16 One of society s main problems today is a lack of self love this is evident in the way most people live their lives sadly I was also part of the statistic The fact that I was not living life to the full bothered me in many ways I was not running my own race I constantly compared myself to others I had not accepted myself for who I was and I had not taken full responsibility for my life I was merely alive and confused Although everything on the outside looked good I felt miserable I learned the hard way that what goes on inside us is more important than what people can see A lack of self love impacted most areas of my life negatively I knew something needed to change Once I had surrendered my life to God He helped me see my own value I started May to May My Journey to Self love with God to move my life in the right direction After discovering the 20 components that lead to self love my life has never been the same I could finally accept myself just as I was I am proud to say there is no other race I would rather run than my own I needed to love myself first so I could truly live Journey to Self: Journey to Love Raechel Rivers,2011-07-08 Journey to Self Journey to Love is a collection of personal poems thoughts and blog entries from my journey through love In searching for love I ve continued to make a full circle back to myself and my Creator Some of the stories are sad and some funny but all are worth sharing It is my hope that lives will be touched and changed by seeing the authenticity of my experiences and perceptions I m not afraid of the truth it is what sets me free During my short 30 years of life I ve experienced so much about

love and relationships I trust that we all have experienced our fair share What if your experiences and being healed from the lessons learned are a part of your assignment from God Now who signs up for heartache and pain Not one of us If these experiences can be used to help a younger generation or to help heal another I m ready to share What I ve learned about love is that it is a journey just like life Sure it hasn t all been roses and it hasn t all been heartache but it has been a road that has led me back to my first love God my Creator This is the refreshing part of the journey This is the part of the journey where all of Heaven and the Angels rejoice in knowing that we have remembered the One who first loved us There is no greater love So I say that love is a journey where you go searching and ultimately find yourself You find the God that is within and the God who created you You remember what you were born to do Thank you for taking the time out to travel this journey with me
