The Only Sales Guide You'll Ever Need Anthony Iannarino, 2016-10-11 The USA Today bestseller by the star sales speaker and author of *The Sales Blog* that reveals how all salespeople can attain huge sales success through strategies backed by extensive research and experience. Anthony Iannarino never set out to become a salesman, let alone a sales manager, speaker, coach, or writer of the most prominent blog about the art and science of great selling. He fell into his profession by accident as a day job while pursuing rock and roll stardom. Once he realized he'd never become the next Mick Jagger, Iannarino turned his focus to a question that's been debated for at least a century: Why are a small number of salespeople in any field hugely successful while the rest get mediocre results at best? The answer is simple: it's not about the market, the product, or the competition; it's all about the seller. And consequently, any salesperson can sell more.

and better all the time Over twenty five years Iannarino has boiled down everything he s learned and tested into one convenient book that explains what all successful sellers regardless of industry or organization share a mind set of powerful beliefs and a skill set of key actions including Self discipline How to keep your commitments to yourself and others Accountability How to own the outcomes you sell Competitiveness How to embrace competition rather than let it intimidate you Resourcefulness How to blend your imagination experience and knowledge into unique solutions Storytelling How to create deeper relationships by presenting a story in which the client is the hero and you re their guide Diagnosing How to look below the surface to figure out someone else s real challenges and needs Once you learn Iannarino s core strategies picking up the specific tactics for your product and customers will be that much easier Whether you sell to big companies small companies or individual consumers this is the book you ll turn to again and again for proven wisdom strategies and tips that really work *Still! the Only Investment Guide You'll Ever Need* Andrew Tobias,1983-06 **EPUB - Directions for**
