8-6: Renting vs. Cheating

- What is a mortgage?

A mortgage is a legal agreement by which a bank or other lender provides funds (money) to someone to buy things like building stock or other durable property. Using this principle, the ownership of the businesses (and upon the payment of other debts, the bank that gives the business business loans) is usually transferred to the lender. It is not clear if there is a moral issue in getting financial goods, mortgage, or any amount of other goods, and if not, why not take all goods, either financial or physical goods?

- What is a mortgage business?

A mortgage business is a business that provides the funds to buy things, making the mortgage loans profitable and thus useful to the bank. It is usually done, either by the bank itself, or by a company that has the right to use the bank's funds, and the bank's name is on the mortgage. The bank is the owner of the mortgage.

- What are the advantages of renting vs. buying a house? What are the disadvantages?
