*Beckett after Wittgenstein* Andre Furlani, 2015-11-30 Among the best represented authors in Samuel Beckett's library was Ludwig Wittgenstein yet the philosopher's relevance to the Nobel laureate's work is scarcely acknowledged and seldom elucidated *Beckett after Wittgenstein* is the first book to examine Beckett's formative encounters with and profound affinities to Wittgenstein's thought style and character While a number of influential critics including the philosopher Alain Badiou have discerned a transition in Beckett's work beginning in the late 1950s Furlani is the first to identify and clarify how this change occurs in conjunction with the writer's sustained engagement with Wittgenstein's thought on for example language cognition subjectivity alterity temporality belief hermeneutics logic and perception Drawing on a wealth of Beckett's archival materials much of it unpublished Furlani's study reveals the extent to which Wittgenstein fostered Beckett's views and emboldened his purposes

**Samuel Beckett's Lyric Failure** Mantra Mukim, 2025-03-06 Providing one of the first book length accounts of Samuel Beckett's poetry this work illustrates how Beckett's poetry and its failures reconfigure the lyric form Reading Beckett alongside nineteenth and twentieth century European poets such as Holderlin Mallarmé Rimbaud Montale and Apollinaire the book situates failure in the triangulation of the lyric impulse subjectivity and the human voice Beckett in his poems employs lyric tactics that range from deixis parataxis and caesura to specific kinds of timbre resonances and punctuations These tactics situate the poetic voice in the liminal points between life and death event and non event beginning and ending and more broadly between expression and failure The book frames these liminalities under the rubric of lyric failure Moving beyond the usual comparisons with his prose and drama the study highlights failure as a generative force that structures Beckett's anti expressive poetics

**Sun Yatsen, Robert Wilcox and Their Failed Revolutions, Honolulu and Canton 1895** Patrick Anderson, 2021-06-28 *Dynamite on the Tropic of Cancer* is the radical explosive retelling of the first decade of the Father of Modern China Dr Sun Yatsen's globally shaped

formation as a professional revolutionist and of the impact of the adult Sun's revolutionary relationship with Hawai'i and with his varied communities of supporters there during its own most turbulent political decade the 1890s years in which this remote island nation transformed from native monarchy via sovereign independent republic to become the USA's first overseas territory Drawn from neglected primary sources *Dynamite* reveals the hitherto untold story of the secret revolutionary alliance forged in Honolulu's backstreets between Sun's Xingzhonghui and the idiosyncratic Italophile soldier Robert Wilcox Hawai'i's Garibaldi and leader of the Kanaka Native Hawaiian counterrevolution of January 1895 This failed uprising to restore Hawai'i's tragic last Queen witnessed firsthand by Sun Yatsen became the archetype upon which ten months later Sun would base his own first attempt at armed insurrection in China the Canton uprising of 26 October 1895 With an epic sweep across the Pacific's Tropic of Cancer *Dynamite* is the most important study yet written on the origins of Sun Yatsen's Chinese Revolution and its dynamic interface with Hawaiian history

**Memoirs of Nikita Khrushchev**  
 Nikita Sergeevich Khrushchev, Serge\_ Khrushchev, 2004 Nikita Khrushchev's proclamation from the floor of the United Nations that we will bury you is one of the most chilling and memorable moments in the history of the Cold War but from the Cuban Missile Crisis to his criticism of the Soviet ruling structure late in his career the motivation for Khrushchev's actions wasn't always clear Many Americans regarded him as a monster while in the USSR he was viewed at various times as either hero or traitor But what was he really like and what did he really think Readers of Khrushchev's memoirs will now be able to answer these questions for themselves and will discover that what Khrushchev really said at the UN was we will bury colonialism This is the second volume of three in the only complete and fully reliable version of the memoirs available in English In the first volume published in 2004 Khrushchev takes his story up to the close of World War II In the first section of this second volume he covers the period from 1945 to 1956 from the famine and devastation of the immediate aftermath of the war to Stalin's death the subsequent power struggle and the Twentieth Party Congress The remaining sections are devoted to Khrushchev's recollections and thoughts about various domestic and international problems In the second and third sections he recalls the virgin lands and other agricultural campaigns and his dealings with nuclear scientists and weapons designers He also considers other sectors of the economy specifically construction and the provision of consumer goods administrative reform and questions of war peace and disarmament In the last section he discusses the relations between the party leadership and the intelligentsia Included among the Appendixes are the notebooks of Nina Petrovna Kukharchuk Khrushchev's wife

**Europe's Languages on England's Stages, 1590-1620** Marianne Montgomery, 2016-04-22 Though representations of alien languages on the early modern stage have usually been read as mocking xenophobic or at the very least extremely anxious listening closely to these languages in the drama of Shakespeare and his contemporaries Marianne Montgomery discerns a more complex reality She argues instead that the drama of the early modern period holds up linguistic variety as a

source of strength and offers playgoers a cosmopolitan engagement with the foreign that while still sometimes anxious complicates easy national distinctions The study surveys six of the European languages heard on London's commercial stages during the three decades between 1590 and 1620 Welsh French Dutch Spanish Irish and Latin and the distinct sets of cultural issues that they made audible Exploring issues of culture and performance raised by representations of European languages on the stage this book joins and advances two critical conversations on early modern drama It both works to recover English relations with alien cultures in the period by looking at how such encounters were staged and treats sound and performance as essential to understanding what Europe's languages meant in the theater Europe's Languages on England's Stages 1590-1620 contributes to our emerging sense of how local identities and global knowledge in early modern England were necessarily shaped by encounters with nearby lands particularly encounters staged for aural consumption

**Journal of the Society of Arts**, 1897      *Failing Peace* Sara Roy, 2006-10-20 Discussion of Israeli policy toward Palestinians is often regarded as a taboo subject with the result that few people especially in the US understand the origins and consequences of the conflict This book provides an indispensable context for understanding why the situation remains so intractable The book focuses on the Gaza Strip an area that remains consistently neglected and misunderstood despite its political centrality Drawing on more than two thousand interviews and extensive firsthand experience Sara Roy chronicles the impact of Israeli occupation in Palestine over nearly a generation Exploring the devastating consequences of socio-economic and political decline this is a unique and powerful account of the reality of life in the West Bank and Gaza Written by one of the world's foremost scholars of the region it offers an unrivalled breadth of scholarship and insight      *General Digest of the Decisions of the Principal Courts in the United States, England and Canada*, 1897      **Failing Desire** Karmen MacKendrick, 2017-12-04 Draws on theology and queer theory to argue for the power of humiliating pleasures in a culture oriented very strongly to denying any enjoyment that is not about success Luckily for human diversity we are perfectly capable of desiring impossible things *Failing Desire* explores a particular set of these impossibilities those connected to humiliation These include the failure of autonomy in submission of inward privacy in confession of visual modesty in exhibition and of dignity in playing various roles Historically those who find pleasure in these failures range from ancient Cynics through early Christian monks to those now drawn by queer or perverse eroticism As Judith Halberstam pointed out in *The Queer Art of Failure* failure can actually be a mode of resistance to demands for what a culture defines as success Karmen MacKendrick draws on this interest in queer refusals To value desire or seek humiliation undercuts any striving for success but it draws our attention particularly to the failures of knowledge as a form of power whether that knowledge is of one body or of a population How can we understand will that seeks not to govern itself psychology that constructs inwardness by telling all blushing shame that delights in exposure or dignity that refuses its lofty position *Failing Desire* suggests that the power of these desires and pleasures comes out of the very realization that this question can never quite be

answered In *Failing Desire* Karmen MacKendrick offers her readers something akin to a sequel to *Counterpleasures Pursuing the negative affects of failure humiliation and shame* across authors that inform much of her work Bataille Blanchot Augustine Foucault Kristeva and Laure MacKendrick effortlessly and breathlessly provides us with provocative new insights about the limitations of language the pleasures of submission and obedience and the wily unruliness of the flesh For her devotees the evocative prose and suggestive analysis will seem familiar without being stale or repetitious for novices her style and acumen will seem assured and electrifying MacKendrick breathes new life into authors texts and topics that have been at the forefront of critical engagements with embodiment desire and affect for the past several decades Kent L Brintnall author of *Ecce Homo The Male Body in Pain as Redemptive Figure* [Railroad Gazette](#) ,1907 **Railroad Age Gazette** ,1907 **Wisdom From World Religions** John Marks Templeton,2008-01-01 Every religion acknowledges certain spiritual principles and records them in its sacred literature and traditions This book curates these ancient teachings and shows how they apply to modern life with the help of parables quotations and commentaries By reading *Wisdom from World Religions* people from all walks of life will be inspired to pursue their own spiritual growth and to contemplate questions central to our existence such as how through love and creativity can we be agents of divinity on earth Uplifting and instructional this is a book to be treasured studied and practiced [Meaning and Argument](#) Ernest Lepore,Sam Cumming,2012-09-14 *Meaning and Argument* is a popular introduction to philosophy of logic and philosophy of language Offers a distinctive philosophical rather than mathematical approach to logic Concentrates on symbolization and works out all the technical logic with truth tables instead of derivations Incorporates the insights of half a century s work in philosophy and linguistics on anaphora by Peter Geach Gareth Evans Hans Kamp and Irene Heim among others Contains numerous exercises and a corresponding answer key An extensive appendix allows readers to explore subjects that go beyond what is usually covered in an introductory logic course Updated edition includes over a dozen new problem sets and revisions throughout Features an accompanying website at <http://ruccs.rutgers.edu/logic/MeaningArgument.html> *RRB JE Civil Engineering Book Stage 1 (CBT-1) English Edition - 20 Full Length Mock Tests (2000 Solved Questions) with Free Access to Online Tests* EduGorilla Prep Experts,2022-12-20 Best Selling Book in English Edition for RRB JE Civil CE CBT 1 with objective type questions as per the latest syllabus given by the RRB Compare your performance with other students using Smart Answer Sheets in EduGorilla s RRB JE Civil CE CBT 1 Practice Kit RRB JE Civil CE CBT 1 Preparation Kit comes with 20 Full length Mock Tests with the best quality content Increase your chances of selection by 16X RRB JE Civil CE CBT 1 Prep Kit comes with well structured and 100% detailed solutions for all the questions Clear exam with good grades using thoroughly Researched Content by experts *The Torch* , **Mathematical Reviews** ,2005
