Gothic Afterlives signals the cultural and conceptual impact of Gothic horror on transmedia production with a focus on reimagining and remaking While diverse in content and approach all chapters pivot on two important points first they reflect some of the core preoccupations of Gothic horror by subverting cultural and social certainties about notions such as the body technology consumption human nature digitalization scientific experimentation national identity memory and gender and by challenging the boundaries between human and inhuman self and Other and good and evil Second and perhaps most important all chapters in the collection collectively show what happens when well known Gothic horror narratives are adapted and remade into different contexts highlighting the implications of the mode shifting registers platforms and chronologies in the process As a collection Gothic Afterlives hones in on contemporary sociocultural experiences and identities as they appear in contemporary popular culture and in the stories told and retold in the twenty first century

Platonism in Late Antiquity Stephen Gersh, Charles Kannengiesser, 1992 This collection of essays brings together the work of leading North American and European classics and patristic scholars By emphasizing the common Platonic heritage of pagan philosophy and Christian theology it reveals the range and continuity of the Platonic tradition in late antiquity Some of the papers treat specific authors and others the evolution of particular doctrines

Tetrascroll R. Buckminster Fuller, 1982-06-15 A series of twenty one original triangular lithographs with narrative captions which may be displayed in a helical scroll of linked tetrahedra They were executed during the years 1975 and 1976 under the guiding light of Tatyana Grosman to whom Fuller had been introduced by Edwin Schlossberg at her ULAE print workshop in West Islip Long Island In something of a publishing innovation this trade book was brought out concurrently with a limited edition of the signed original lithographs Michael Denny was the editorial impresario at St Martin s and Ronald Feldman Fine Arts handled the exhibition of the lithographs Fuller composed the Tetrascroll between the publication of Synergetics in 1975 and Synergetics 2 in 1979 He had been frustrated by the rigid structure of the synergetics books which despite certain advantages he felt robbed the work of spontaneity and narrative force To compensate for this Fuller worked feverishly on the Tetrascroll as a free form obbligator to the synergetics books He explained to me at the time The empirical the scientific way to present the argument of synergetics is the way I am doing it in Goldilocks Description by Ed Applewhite courtesy of The Estate of Buckminster Fuller
