**Authentic Christianity** Gordon Haresign, 2014-05-29 Authentic Christianity is an insightful and timely wake up call to every Christian today If you want to rediscover what the church is all about this is a good place to start Whitney T Kuniholm president Scripture Union USA

Authentic Christianity is more than a scholarly exposition of the first three chapters of the book of Revelation The book takes you on a tour from the small island of Patmos in the Aegean Sea to the sites of seven ancient cities in what was known as Asia Minor The messages Christ conveyed to the churches in those cities are as stunning today as they were then The author relates those messages into direct confrontation and challenge as he builds a convincing case for the display of authentic Christianity Authentic Christianity captures attention from the outset as it not only examines Christs critique of those churches at the end of the first century it exposes todays churches In light of the churchs declining influence in the world the author makes an exceptionally strong appeal for those who call themselves Christians to be authentic Authentic Christianity exalts Christs role in the church and reflects the high standard expected of Christians today In an age when the church is increasingly scorned the author sounds a clarion call for repentance and revival This is a compelling read The book containing personal and practical illustrations is a dynamic challenge to bring ones life into conformity with Christs expectations The reader cannot possibly remain indifferent after reading the book and seriously considering its timely message The book is an appeal for action change revival and authenticity

**Seven Steps to Amazing Love** Prince Mensah, 2008-10 Sex sells Sense doesnt This is what Christians face in this world But we cannot use that as an excuse to justify reckless choices in our lives This is the main reason why Prince Mensah wrote Seven Steps to Amazing Love The book is an honest no holds barred conversation about how Christians can achieve a fulfilling relationship with another person Prince uses the Bible and contemporary research to support his seven recommendations As Christians it is imperative to know how to survive minefields on the path to a godly and fulfilling relationship The reader is offered a chance to self analyze with the truth of Gods word There is no mincing of words in Seven Steps to Amazing Love It is a book that suggests several

ways to avoid or survive the prevailing sense of futility in today's culture when it comes to true love Prince Mensah came to know Jesus Christ as his Lord and Personal Savior in 1992. The conversion occurred at Calvary Baptist Church in Accra, Ghana. Since then Prince has conducted workshops and seminars about issues affecting Christian youth. He has spoken on subjects ranging from selfishness to sexuality. Issues of chastity and fidelity in a Christian's life are focal points in Prince's presentations. This is because today's microwave society disables people to think through problems. The hasty decision making results in unpleasant circumstances in many areas, especially in relationships. Prince Mensah has held the position of secretary for the Hope Baptist Church Youth group in Accra, Ghana. He studied Christian Psychology in college and holds a Consultants Certificate in Mediation. He is also a Fellow of the African American HIV University in Los Angeles, California. He is married to Charisse Sullivan Mensah, a career musician. The couple lives in Columbia, MD.

Existentialism as a philosophy gained prominence after World War II. Instead of focusing upon a particular aspect of human existence, existentialists argued that our focus must be upon the whole being as he/she exists in the world. Rebelling against the rationalism of such philosophers as Descartes and Hegel, existentialists reject the emphasis placed on man as primarily a thinking being. Freedom is central to human existence, and human relations and encounters cannot be reduced simply to thinking. This Dictionary provides through alphabetically arranged entries, overviews of the various tenets, philosophers, and writers of existentialism, and of those writers/philosophers who in retrospect seem to existentialists to espouse their philosophy. Nietzsche, Kierkegaard, Dostoyevski, et al.
